T-20-19 - Addendum #1

Revised Closing Date : April 02, 2020 at 11am

Closing Date extended to April 02, 2020 at 11:00am

1. Due to Brookfield Town Hall usage restrictions by the general public through to March 27 2020, the Closing Date has been extended one full week until April 2, 2020 at 11am.
2. It's possible this may need to be extended again, depending upon circumstances yet to be seen and would be advertised as soon as that decision is made, but no later than 48hrs prior to the new closing date.
3. The site visit walk thru will stay as scheduled for Thursday March 19 at 10:00am starting at the Front Entrance of the Brookfield High School. As the school will be closed, there no longer is a need to secure visitor badges at the front desk. The attendee's will be escorted to the field location at 10:00am.
4. As it seems certain the Brookfield School System will now be in session to June 30, 2020, it is unclear at this time how viable it might be to perform the work over the summer break, even assuming no funding issues. If possible, that would still be the Town's desire. Proposals should address the overall schedule and possible complications along with possible strategies to accomplish that goal.
