CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - - LOWER TIER COVERED TRANSACTIONS

INSTRUCTIONS FOR CERTIFICATION

- 1) By signing and submitting this application, the prospective recipient of Federal assistance funds is providing the certification as set out below.
- 2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, UConn Health may pursue available remedies, including suspension and/or debarment.
- 3) The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this application is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "application," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549.
- 5) The prospective recipient of Federal assistance funds agrees by submitting this application that, should the proposed covered transactions be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by UConn Health.
- 6) The prospective recipient of Federal assistance funds further agrees by submitting this application that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determined the eligibility of its principals. Each participant may, but is not required, to check the List of Parties Excluded from procurement or Non-Procurement Programs.
- 8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9) Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is debarred, suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, UConn Health may pursue available remedies including suspension and/or debarment.

Before signing Certification, read all the instructions which are an integral part of the Certification.

- 1) The prospective recipient of Federal assistance funds certifies, by submission of this application, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- 2) Where the prospective recipient of Federal assistance funds is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this application.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS**

(Revised 09/17/07)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

Acknowledgement of Receipt of Explanation of Prohibitions for Incorporation in Contracting and Bidding Documents

This notice is provided under the authority of Connecticut General Statutes §9-612(g)(2), as amended by P.A. 10-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on the reverse side of this page).

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract* or *state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor* or *principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

ITB TITLE:			

These terms and conditions govern all Invitations to Bid (ITBs) issued by the University of Connecticut Health Center (UConn Health). All applicable provisions of the Connecticut General Statutes and Regulations of Connecticut State Agencies are incorporated by reference into these terms and conditions. Bidders shall comply with the statutes and regulations as they exist on the date of their bid and as they may be adopted or amended from time to time.

Submission of Bids

1. Bids must be complete and conform to all instructions, terms and conditions of this ITB. UConn Health may reject in whole or in part any bid if in its judgment the best interests of UConn Health will be served by doing so.
2. Bids must be submitted to, received by, and stamped (physically or electronically) as received by UConn Health's Procurement Department on such forms as UConn Health makes available. The address/location for bid submission is specified in this ITB. Telephone or facsimile bids will not be accepted.
3. The date and time that bids are due is specified in this ITB. Bids received after the specified due date and time will not be considered.
4. No additions or changes to any bid will be allowed after the bid due date and time, unless such modification is specifically requested by UConn Health. UConn Health, at its option, may seek bidder retraction and/or clarification of any discrepancy or contradiction found during its review of bids.
5. The sealed envelope containing the bid must be clearly marked with the ITB number, the bid due date and time, and the bidder's name and address.

6. Bids must be computer prepared, typewritten or handwritten in ink, on the forms provided by UConn Health. Bids submitted in pencil shall be rejected. Submission of incomplete responses/forms may result in the rejection of the bid.
7. Conditional bids are subject to rejection in whole or in part. A conditional bid is one which limits, modifies, expands or supplements any of the specifications, terms or conditions of the ITB, including UConn Health's purchase order or standard contract language.
8. Alternate bids will not be considered, unless they are specifically requested by UConn Health. An alternate bid is defined as one which is submitted in addition to the bidder's primary response to the ITB.
9. Bidders must be prepared to provide any evidence of experience, performance, ability, and/or financial surety that UConn Health deems to be necessary or appropriate to fully establish the performance capabilities represented in their bids.
10. Bidders are responsible for all costs and expenses incurred in the preparation of bids and any subsequent work on the bid that is required by UConn Health.
11. All bids must be signed by a person duly authorized to sign bids on behalf of the bidder. Alterations or corrections to bidder's original response and any copies submitted must be initialed by the person signing the bid or his/her authorized designee. If an authorized designee initials an alteration/correction,

written

authorization from the person signing the bid to the person initialing the correction must be attached to the bid. Noncompliance with these instructions may result in rejection of the bid in its entirety, or for those items altered/corrected.

12. By submitting a bid, the bidder warrants, represents, and certifies that:
 - a. The bid is not made in connection with any other bidder submitting a bid for the same commodity and is in all respects fair and without collusion or fraud.
 - b. The prices quoted were arrived at independently, without consultation, communication, or agreement with any other individual or entity for the purpose of restricting competition in connection with this ITB.
 - c. Unless otherwise required by law, bidder has not knowingly disclosed its price response directly or indirectly to any other individual or entity.
 - d. No attempt has been made, or will be made, by the bidder to induce any other individual or entity to submit or not to submit a bid for the purpose of restricting competition.
 - e. No elected or appointed official or employee of the State of Connecticut has or will benefit financially or materially from this procurement, and bidder shall notify UConn Health immediately if bidder becomes aware of a potential or actual conflict of interest. Bidder further acknowledges that any award resulting from this ITB may be terminated by UConn Health if it is determined that gratuities of any kind were offered to or received by any of the aforementioned officials or the bidder's employees or representatives.
 - f. If this is a bid for a "state contract" as defined in Section 9-612 of the Connecticut General Statutes, having a value of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more in a calendar year, the bidder has received the State Elections Enforcement Commission's notice advising state contractors, prospective state contractors and their principals of state campaign contribution and solicitation prohibitions.
13. Each bid is a binding commitment on the part of the bidder, which UConn Health may incorporate by reference or otherwise, into any order and/or contract with that bidder. The bid must include evidence that is

has been duly delivered on the part of the bidder, that the persons submitting the bid have the requisite corporate power and authority to structure, compile, draft, submit and deliver the bid, and subsequently to enter into, execute, deliver and perform on behalf of the bidder any award/contract that results from this ITB.

14. The awarded bidder shall be bound by UConn Health's terms and conditions of purchase at the time of award. This ITB includes a sample of or electronic link to the required terms and conditions, which may be in the form of a purchase order and/or a counter-signed contract, at UConn Health's discretion.
15. All bids submitted become the sole property of UConn Health and will not be returned.
16. All bids are subject to public inspection after the bid has been awarded.

Price Quotes

17. Bidders must honor their quoted prices for a period of one hundred eighty (180) days from the due date of the bid. Bidders may, at their option, agree to honor their quoted prices for a longer period of time.
18. In the event of a discrepancy between the unit price and the extension, the unit price shall govern. Prices must be extended in decimal, not fraction.
19. Pursuant to Section 12-412 of the Connecticut General Statutes, the State of Connecticut is exempt from the payment of excise, transportation and sales taxes imposed by the federal government and/or the State. Such taxes must be excluded from bid prices.
20. To enable an accurate comparison of price submissions, each bidder's response must clearly and completely list all costs associated with the goods/services requested by this ITB. This ITB's pricing response form or other instructions may require certain costs, such as shipping and handling, to be broken out or itemized separately. Bids must comply with all such instructions and pricing must be entered directly into the fields on the form(s) included with this ITB. Bidders will not be permitted to add any categories of costs or other amounts to their total price submission after award.

Freedom of Information

21. Due regard will be given for the protection of proprietary or confidential information contained in all bids received. However, bidders should be aware that all materials associated with this ITB are subject

to the Connecticut Freedom of Information Act (FOIA) and all rules, regulations and interpretations resulting therefrom. It is not sufficient for bidders to merely state generally that their bid is proprietary or confidential in nature. Any sentences, paragraphs, pages or sections which a bidder believes to be exempt from disclosure under the FOIA must be specifically identified as such, and a convincing explanation and rationale for each exemption, consistent with the FOIA provisions, must accompany the bid. The explanation and rationale must be stated in terms of the prospective harm to the competitive position of the bidder that would result if the identified material were to be released and the reasons why the material is legally exempt from release pursuant to the FOIA. In no event shall UConn Health have any liability for the disclosure of any documents or information in its possession which UConn Health believes are required to be disclosed pursuant to FOIA or other requirements of law.

Samples

22. The quality of accepted samples does not supersede the specifications for quality in the ITB unless the sample is superior in quality. All deliveries shall have at least the same quality as any accepted sample.
23. Samples shall be furnished free of charge. Bidders must indicate if return of any sample is desired. UConn Health shall comply with such request provided samples are returned at bidder's sole cost and expense, FCA UConn Health's facility (Incoterms 2010), and that they have not been made useless by testing. If they are made useless by testing, UConn Health may dispose of the samples as it deems to be appropriate. Samples may be held for comparison with deliveries.

Guaranty or Surety

24. Bid and/or performance bonds may be required. Bonds must meet the following requirements: If bidder is a corporation, the bond must be signed by an official of the corporation above his/her official title with corporate seal affixed over the signature; if bidder is a firm or partnership, the bond must be signed by all partners "doing business as" bidder entity; if bidder is an individual, the bond must be signed by the owner, identified as "Owner." The surety company executing or countersigning the bond must be licensed in Connecticut. The bond must be signed by an official of the surety company with the corporate seal affixed over his/her signature.

Signatures of two witnesses for both the principal and the surety must appear on the bond. Power of attorney for the official signing the bond for the surety must be submitted with the bond.

Award

25. Notice of award will be made to the "lowest responsible qualified bidder(s)" as defined by Section 4a-59 of the Connecticut General Statutes, in accordance with the criteria set forth in the ITB.
26. The identified lowest responsible qualified bidder has ten (10) days after notice to refuse acceptance of the award. At UConn Health's sole discretion, after ten (10) days, the award may be binding; in that case, UConn Health's issuance of a purchase order to the notified bidder will obligate that bidder to provide the requested goods/services at the prices contained in the bid. If the notified bidder refuses acceptance of the award within the ten-day period, notice will be made to the next lowest responsible qualified bidder(s).
27. UConn Health reserves the right to make an award to multiple bidders.
28. The awarded bidder shall not expect or require UConn Health to issue a purchase order to, or sign a contract with, any other individual or entity for the goods/services that the bidder included in its bid.
29. UConn Health may reject the bid of any bidder that is, or has a principal/member who is, in default of any prior contract or guilty of misrepresentation.
30. UConn Health may correct inaccurate awards resulting from clerical or administrative errors. This may include, in extreme circumstances, revoking an award already made to a bidder and subsequently awarding the bid to another bidder. Such action shall not constitute a breach of contract by UConn Health since the award to the initial bidder is deemed to be void and of no effect as if no contract ever existed between UConn Health and such bidder.
31. The award is contingent upon the awarded bidder's acceptance of all of the terms and conditions in UConn Health's purchase order and/or standard contract (at UConn Health's discretion) and bidder's execution of the applicable required State of Connecticut certifications and affidavits. Samples of, or electronic links to, the relevant documents are included with this ITB.
32. Any award and any acquisition of goods/services resulting from this ITB are contingent upon UConn Health's ability to cancel such award and/or

acquisition, without penalty, if the applicable funds are not available for required payment or if the goods or services fail to meet UConn Health's minimum criteria for acceptance or performance reliability.

33. UConn Health's Affirmative Action, Non-Discrimination and Equal Opportunity Policy is set forth in Policy Number 2002-44. UConn Health will not knowingly award business to a bidder that discriminates against members of any class protected under Sections 4a-60 or 4a-60a of the Connecticut General Statutes.
34. Purchases resulting from an award of this ITB will be in compliance with all applicable laws and regulations. Specifically, and without limiting the foregoing, this bid is subject to the provisions of the following Executive Orders: Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, regarding nondiscrimination clauses in state contracts; Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, regarding the posting of job openings with the Connecticut State Employment Service; Executive Order No. Sixteen of Governor John G. Rowland, promulgated August 4, 1999, regarding prevention of violence in the workplace; Executive Order No. Fourteen of Governor M. Jodi Rell, promulgated April 17, 2006, regarding the use of cleaning and/or sanitizing products having properties that minimize potential impacts on human health and the environment, consistent with maintaining clean and sanitary facilities; and Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, establishing the State Contracting Standards Board.
35. The awarded bidder shall comply with UConn Health and John Dempsey Hospital policies and procedures, as well as all applicable laws, ordinances, rules regulations, standards, and orders of governmental, regulatory and accrediting bodies, including but not limited to The Joint Commission, having jurisdiction in the premises.

Oral Agreement or Arrangements

36. Any alleged oral agreements or arrangements made by UConn Health employees or representatives will be disregarded in both the bid evaluation and any associated award.

Subletting or Assigning of Award

37. Regardless of whether a bid references the names of, or incorporates quotes from, other individuals or entities, UConn Health has sole discretion as to

whether the awarded bidder is allowed to utilize subcontractor(s) to perform any part of the award. If UConn Health allows subcontracting:

- a. the awarded bidder must obtain UConn Health's express written authorization to subcontract;
 - b. the awarded bidder must still provide the majority of services described in this ITB;
 - c. any subcontractor(s) must be approved by UConn Health prior to commencing any work;
 - d. the awarded bidder shall not prohibit UConn Health from communicating directly with any subcontractor;
 - e. the awarded bidder shall be solely responsible for all payment of costs and fees charged by the subcontractor(s);
 - f. UConn Health shall not be required to enter into a direct contractual relationship with any of the awarded bidder's subcontractors; and
 - g. the awarded bidder shall promptly provide a performance evaluation of any subcontractor to UConn Health upon request.
38. The award resulting from this ITB may not be assigned by the awarded bidder without the express written permission of UConn Health.

Acceptance of UConn Health Terms and Conditions

39. This ITB is not a contract and, alone, shall not be interpreted as such. Rather, this ITB serves as the instrument through which bids are solicited. Once the evaluation of the bids is complete and the lowest responsible qualified bidder(s) identified, the relevant bid(s) and this ITB may then serve as the basis for a contract that will be effective upon UConn Health's issuance of a purchase order to the awarded bidder(s) referencing the ITB and bid response, and/or (at UConn Health's discretion) the execution of a contract by UConn Health and the awarded bidder(s). This ITB and the bid may be referenced in and/or attached to the purchase order and/or contract. If the lowest responsible qualified bidder refuses to accept UConn Health's purchase order or contract terms and conditions, UConn Health may make the award to the next lowest responsible qualified bidder(s). UConn Health may decide at any time to start the ITB process again.
40. Samples of and/or electronic links to UConn Health's required terms and conditions in the form of a purchase order and/or contract, and the required State

of Connecticut certifications and affidavits, are included with this ITB. By submitting a bid, the bidder acknowledges that it has read all of the documents, and that it understands that the successful bidder(s) will be expected to agree to all of UConn Health's required terms and conditions without exception, and sign all applicable documents, including (at UConn Health's discretion) UConn Health's standard contract. Refusal to do so may result in the award being made to the next lowest responsible qualified bidder(s).

41. In accordance with Section 4a-81 of the Connecticut General Statutes, bidders are notified that no state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains a written affidavit from one of the bidder's principals or key personnel attesting as to whether any consulting agreement has been entered into in connection with the contract being awarded. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the state, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information, or (C) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted. Such affidavit shall: be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit; be subject to the penalties of false statement; and include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public

official, such affidavit shall indicate his or her former agency and the date such employment terminated. If there is any change in the information contained in the most recently filed, an updated affidavit shall be submitted either (A) not later than thirty days after the effective date of any such change, or (B) upon the submittal of any new bid or proposal, whichever is earlier. If a bidder refuses to submit the affidavit required by C.G.S. § 4a-81, the bidder shall be disqualified.

42. In accordance with Section 4-252 of the Connecticut General Statutes, bidders are notified that no state agency shall execute a large state contract unless the state agency obtains a written certification from one of the bidder's principals or key personnel, certifying that: (1) no gifts were made by (A) the bidder, (B) any of bidder's principals and key personnel who participate substantially in preparing bids, proposals or negotiating state contracts, or (C) any of bidder's agents who participates substantially in preparing bids, proposals or negotiating state contracts, to (i) any public official or state employee of the state agency soliciting bids or proposals for state contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for state contracts or the negotiation or award of state contracts, or (ii) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency; (2) no such principals, key personnel or agents of the bidder knows of any action by the bidder to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the bidder to provide a gift to any such public official or state employee; and (3) the bidder is submitting bids or proposals without fraud or collusion with any person. Each certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement. If there is any change in the information contained in the most recently filed certification, an updated certification shall be submitted either (A) not later than thirty days after the effective date of any such change, or (B) upon the submittal of any new bid or proposal for a large state contract, whichever is earlier. An accurate, updated certification must also be submitted not later than 14 days after the 12-month anniversary of the most recently filed certification or updated certification. If a bidder refuses to submit the certification required by C.G.S. § 4-252, the bidder shall be disqualified. Definitions of the terms "gift,"

“public official,” “state employee,” “state agency,” “large state contract,” “principals and key personnel,” and “participated substantially” are provided in Section 4-250 of the Connecticut General Statutes.

Ownership of Goods/Services

43. Any goods/services, whether acceptable or unacceptable, first developed or reduced to practice under an award made as a result of this ITB shall be the sole property of UConn Health unless otherwise agreed to in writing by UConn Health.

Performance and Payments

44. Under no circumstances shall the awarded bidder begin to perform prior to the effective date of any contract created by the issuance of a purchase order or the execution of an agreement by UConn Health and the awarded bidder. UConn Health shall have no obligation to bidders who begin performance prior to execution of a contract or receipt of UConn Health’s purchase order.

45. All payments shall adhere to the pricing and terms contained in the bid and agreed to by UConn Health.

Evaluation of Performance

46. During or after the term of any award that results from this ITB, UConn Health may conduct evaluations of the awarded bidder’s performance. The awarded bidder shall cooperate with UConn Health in any such evaluations and work with UConn Health to correct any deficiencies noted.

Amendment or Cancellation

UConn Health reserves the right to cancel, amend, modify or otherwise change this ITB at any time if it deems such action to be in the best interest of UConn Health.

Such procedures shall include a toll-free telephone number, an e-mail address, a posting on its website and a postal address. Business Associate agrees to include in the notification of a Breach by Business Associate to Covered Entity, a written description of the procedures that have been established to meet these requirements. Costs of such contact procedures will be borne by Business Associate.
- 6.16.7 Business Associate agrees that, in the event of a Breach, it has the burden to demonstrate that it has complied with all notifications requirements set forth above, including evidence demonstrating the necessity of a delay in notification to Covered Entity.
- 6.17 Business Associate agrees that it shall obtain permission from Covered Entity prior to: (a) transmitting, or allowing the transmission of, any PHI to an offshore location; or (b) utilizing an offshore entity to perform services on behalf of Covered Entity. For the purposes of this section, "offshore" means any country that is not one of the fifty United States or one of the United States Territories (American Samoa, Guam, Northern Marianas, Puerto Rico, and Virgin Islands).

7. Permitted Uses and Disclosure by Business Associate.

- 7.1 General Use and Disclosure Provisions. Except as otherwise limited in this BAA, Business Associate may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified

in this BAA or any underlying contract, provided that such use or disclosure would not violate the HIPAA Standards if done by Covered Entity.

7.2 Specific Use and Disclosure Provisions

7.2.1 Except as otherwise limited in this BAA, Business Associate may use PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate.

7.2.2 Except as otherwise limited in this BAA, Business Associate may disclose PHI for the proper management and administration of Business Associate, provided that disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

7.2.3 Except as otherwise limited in this BAA, Business Associate may use PHI to provide Data Aggregation services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B).

8. Obligations of Covered Entity.

8.1 Covered Entity shall notify Business Associate of any limitations in its notice of privacy practices of Covered Entity, in accordance with 45 C.F.R. § 164.520, or to the extent that such limitation may affect Business Associate's use or disclosure of PHI.

8.2 Covered Entity shall notify Business Associate of any changes in, or revocation of, permission by Individual(s) to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.

8.3 Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

9. Permissible Requests by Covered Entity. Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Standards if done by Covered Entity, except that Business Associate may use and disclose PHI for data aggregation, and management and administrative activities of Business Associate, as permitted under this BAA.

10. Term and Termination.

10.1 Term. This BAA shall be effective as of the date it has been signed by both parties and shall continue for as long as Business Associate has possession of or access to Covered Entity's PHI. This BAA may be terminated only after the information collected in accordance with provision 6.10 of this BAA is provided to Covered Entity and all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this section.

10.2 Termination for Cause. Upon Covered Entity's knowledge of a Breach or of a violation of the terms of this BAA by Business Associate, Covered Entity shall either:

10.2.1 Provide an opportunity for Business Associate to cure the Breach or end the violation and terminate Business Associate's provision of services as well as any applicable underlying contract if Business Associate does not cure the Breach or end the violation within the time specified by Covered Entity; or

10.2.2 Immediately terminate Business Associate's provision of services as well as any applicable underlying contract if Business Associate has violated a material term of this BAA and cure is not possible; or

10.2.3 If neither termination nor cure is feasible, Covered Entity shall report the Breach and/or violation to the Secretary.

10.3 Effect of Termination.

10.3.1 Upon termination of Business Associate's provision of services for any reason, Business Associate shall return or destroy all PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity. Business Associate shall also provide the information collected in accordance with section 6.10 of this BAA to Covered Entity within ten (10) business days of the notice of termination. This section shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate and its subcontractors shall retain no copies of the PHI, except as provided in section 10.3.2 of this BAA.

10.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible. Upon documentation by Business Associate that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this BAA to such PHI and limit further uses and disclosures of PHI to those purposes that make return or destruction infeasible, for as long as Business Associate maintains such PHI. Infeasibility of the return or destruction of PHI includes, but is not limited to, requirements under state or federal law that Business Associate maintains or preserves the PHI or copies thereof.

11. Miscellaneous.

11.1 Regulatory References. A reference in this BAA to a section in the Privacy Rule means the section as in effect or as amended.

11.2 Amendment. The parties agree to take such action as is necessary to amend this BAA from time to time as is necessary for Covered Entity to comply with requirements of the Privacy Rule and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.

11.3 Survival. The respective rights and obligations of the parties under this BAA shall survive the termination of Business Associate's provision of services to or on behalf of Covered Entity and any underlying contract for such services.

11.4 Effect on Other Contract(s). Except as specifically required to implement the purposes of this BAA, all other terms of any other duly executed underlying contract shall remain in force and effect. The parties agree that this BAA is incorporated into any underlying contract under which Contractor is a Business Associate of UConn Health.

11.5 Construction. This BAA shall be construed as broadly as necessary to implement and comply with the Privacy Standard. Any ambiguity in this BAA shall be resolved in favor of a meaning that complies, and is consistent with, the Privacy Standard.

11.6 Disclaimer. Covered Entity makes no warranty or representation that compliance with this BAA will be adequate or satisfactory for Business Associate's own purposes. Business Associate is solely responsible for all decisions made, and actions taken, by Business Associate regarding the safeguarding, use and disclosure of PHI within its possession, custody or control.

11.7 Indemnification. Business Associate shall indemnify and hold Covered Entity harmless from and against any and all claims, liabilities, judgments, fines, assessments, penalties, awards and any statutory damages that arise from the unauthorized use or disclosure of PHI by Business Associate or any of its officers, directors, employees, contractors, subcontractors or agents, or any third party to whom Business Associate has disclosed PHI contrary to this BAA or applicable law, including, without limitation, attorney's fees, expert witness fees, costs of investigation, litigation or dispute resolution, and costs awarded under HIPAA, the HITECH Act, or the HIPAA Standards.

11.8 Governing Law, Venue and Claims Against the State. Except to the extent preempted by federal law, this BAA and any disputes arising herefrom shall be governed by the laws of the State of Connecticut, without

giving effect to its conflicts of laws principles. Business Associate agrees that the sole and exclusive means for the presentation of any claim against Covered Entity arising from this BAA shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and Business Associate further agrees not to initiate legal proceedings in any state or federal court in addition to, or in lieu of, said Chapter 53 proceedings. Notwithstanding and without waiving the foregoing, and without waiving or compromising the State of Connecticut's sovereign immunity or immunity provided under the Eleventh Amendment of the Constitution in any way, to the extent that any immunities provided by state or federal law do not bar an action against Covered Entity, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, any permitted action against Covered Entity shall be brought only in the Judicial District of Hartford or the United States District Court for the District of Connecticut, and shall not be transferred to any other court. Business Associate waives any objection it may have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

- Each contractor affected by the above requirement shall pay the annual adjusted prevailing wage rate that is in effect each July 1st, as posted by the Department of Labor.
- It is the **contractor's** responsibility to obtain the annual adjusted prevailing wage rate increases directly from the Department of Labor's Web Site. Information Bulletin ***Occupational Classifications***

The Connecticut Department of Labor has the responsibility to properly determine "job classification" on prevailing wage projects covered under C.G.S. Section 31-53(d).

Note: This information is intended to provide a sample of some occupational classifications for guidance purposes only. It is not an all-inclusive list of each occupation's duties. This list is being provided only to highlight some areas where a contractor may be unclear regarding the proper classification. If unsure, the employer should seek guidelines for CTDOL.

Below are additional clarifications of specific job duties performed for certain classifications:

- **ASBESTOS WORKERS**

Applies all insulating materials, protective coverings, coatings and finishes to all types of mechanical systems.

- **ASBESTOS INSULATOR**

Handle, install apply, fabricate, distribute, prepare, alter, repair, dismantle, heat and frost insulation, including penetration and fire stopping work on all penetration fire stop systems.

- **DELIVERY PERSONNEL**

- If delivery of supplies/building materials is to one common point and stockpiled there, prevailing wages are not required. If the delivery personnel are involved in the distribution of the material to multiple locations within the construction site then they would have to be paid prevailing wages for the type of work performed: laborer, equipment operator, electrician, ironworker, plumber, etc.

- An example of this would be where delivery of drywall is made to a building and the delivery personnel distribute the drywall from one "stockpile" location to further sub-locations on each floor. Distribution of material around a construction site is the job of a laborer or tradesman, and not a delivery personnel.

For example:

- Material men and deliverymen are not covered under prevailing wage as long as they are not directly involved in the construction process. If, they unload the material, they would then be covered by prevailing wage for the classification they are performing work in: laborer, equipment operator, etc.
- Hauling material off site is not covered provided they are not dumping it at a location outlined above.
- Driving a truck on site and moving equipment or materials on site would be considered covered work, as this is part of the construction process.

Notice
To All Mason Contractors and Interested Parties
Regarding Construction Pursuant to Section 31-53 of the
Connecticut General Statutes (Prevailing Wage)

The Connecticut Labor Department Wage and Workplace Standards Division is empowered to enforce the prevailing wage rates on projects covered by the above referenced statute.

Over the past few years the Division has withheld enforcement of the rate in effect for workers who operate a forklift on a prevailing wage rate project due to a potential jurisdictional dispute.

The rate listed in the schedules and in our Occupational Bulletin (see enclosed) has been as follows:

Forklift Operator:

- **Laborers (Group 4) Mason Tenders** - operates forklift solely to assist a mason to a maximum height of nine feet only.
- **Power Equipment Operator (Group 9)** - operates forklift to assist any trade and to assist a mason to a height over nine feet.

The U.S. Labor Department conducted a survey of rates in Connecticut but it has not been published and the rate in effect remains as outlined in the above Occupational Bulletin.

Since this is a classification matter and not one of jurisdiction, effective January 1, 2007 the Connecticut Labor Department will enforce the rate on each schedule in accordance with our statutory authority.

Your cooperation in filing appropriate and accurate certified payrolls is appreciated.
