1. [Pricing Matrix](#)

**Group 1.1: Executive Summary**

1.1.1 Provide a summary to include what is being proposed, the important points of the proposal and key benefits of being selected as the Contractor. ★

**Group 1.2: Form of Proposal**

1.2.1 Proposer understands that the University reserves the right to reject any and all proposals, waive irregularities or technicalities in any offer, and accept any offer in whole or in part which it deems to be in its best interest. ★

1.2.2 Proposer hereby certifies: (a) that this proposal is genuine and is not made in the interest of or on behalf of any undisclosed person, firm or corporation; (b) that the proposer has not directly or indirectly induced or solicited any other proposer to put in a false or sham bid; (c) that the proposer has not solicited or induced any person, firm or corporation to refrain from bidding; and (d) that the proposer has not sought by collusion to obtain any advantage over any other proposer or over the University. ★

1.2.3 Proposer agrees that the response to this proposal is a legal and binding offer and the authority to make the offer is vested in the signer. Minor differences and informalities will be resolved by negotiation prior to acceptance of the offer. ★

1.2.4 Is proposer currently a State of Connecticut Small Business Enterprise and certified with the State of CT Department of Administrative Services? ★

1.2.5 Please acknowledge by entering "Agree" for payment terms of 2% 15 days, Net 45 days or provide alternate payment terms. ★

1.2.6 Sales Representative Contact Information - please include name, telephone #, email address and attach resume. ★

1.2.7 Confidential Information: The University treats Proposals as confidential until after the award is issued. At that time they become subject to disclosure under the Freedom of Information Act. If a bidder wishes to supply any information, which it believes is exempt from disclosure under the act, said bidder should summarize such information in a separate file, upload here and mark as Confidential. However, any such information is provided entirely at the bidder's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the bidder in connection with its proposal. ★

1.2.8 Freedom of Information: The University is subject to the CT Freedom of Information Act, found in Chapter 14 of the CT General Statutes. Two exceptions may apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-20(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-210(b)(5) may apply to a given request for the records in questions, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements would need to be borne by the owner of said trade secrets, not the University. ★

1.2.9 Conflict of Interest: The bidder shall disclose and identify to the University, with its proposal, any relationships, which may constitute a potential conflict of interest with the University of Connecticut Procurement Services Department, or any other University organizations or departments for the purpose of determining whether a conflict of interest exists. All such disclosures require acceptance/approval action on the part of the University, who shall determine, in its sole discretion, whether an impermissible conflict exists. ★

1.2.10 Ethics and Compliance Reporting/Whistleblower Protection: The Office of University Compliance is responsible for handling anonymous ethics and compliance reporting. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as well as any subcontractors, who are involved in the implementation of this contract, of this reporting mechanism. Any person who is aware of unethical practices, fraud, violation of state laws or regulations, or other concerns relating to University policies and procedures can report such matters anonymously using the information provided on their website at <https://compliance.uconn.edu> ★

1.2.11 Communications: All formal communications in regards to this solicitation must be in writing in the portal. Until the time when the University posts notification of intent to award; all communications in regards to this solicitation must be sent to the Procurement representative via email. Failure to adhere to this provision may result in a proposer being declared ineligible, proposal rejection, or solicitation cancellation. ★

1.2.12 Unless specifically authorized in writing by the University's Communications Department on a case by case basis, the Contractor shall have no right to use, and shall not use, the name of the University of Connecticut, its officials or employees, or the Seal of the University, a) in any advertising, publicity, promotion; nor b) to express or imply any endorsement of Contractor's products or services; nor c) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (a) and (b) above) except only to manufacture and deliver in accordance with this agreement such items as are hereby contracted by the University. ★

1.2.13 The proposing vendor must certify that no elected or appointed official or employee or student of the University has benefited, or will benefit financially or materially from the proposed services. The University may terminate any contract resulting from this bid, if it is determined that gratuities of any kind were either offered to, or received by, any University officer or employee contract to this policy. The authorized signatory of a submitted proposal automatically attests this to be true. (See also Attachment of Governor Rell's Memo to Vendors Conducting Business with the State of Connecticut). The laws of the State of Connecticut provide it is a felony to offer, promise or give anything of value or benefit to a State employee with intent to influence that employee's acts, opinion, judgment or exercise of discretion with respect to that employee's duty. Evidence of violation of this statute will be turned over to the proper prosecuting attorney. See Code of Ethics in CT ★

**Group 1.3: Standard Contract Terms and Conditions**

1.3.1 The following terms and conditions will govern in the submission and evaluation of proposals and the award of a contract. Bidders are requested to carefully review the terms and conditions, as they will become part of any subsequent agreement and award process. Contract Status: The response to this solicitation will be considered an offer to contract. Final negotiations on the highest evaluated offer will be conducted to resolve any differences and informalities. After final negotiations, the University will issue an acceptance of the proposal offer. ★

1.3.2 Contract Modification: All changes to the contract must be agreed to, in writing, by both parties prior to executing any change. ★

1.3.3 Contract Assignment or Subcontract: The resulting contract shall not be assigned, transferred, or sublet in whole or in part without the prior written approval of the University. ★

1.3.4 Notification of Selected Firm: All Proposers will receive written notification of the selected firm after the evaluation committee has approved their selection. ★

1.3.5 Contract Commencement: The contract will commence upon execution and final approval by the Office of the Attorney General. The Project covered under the contract will be based on the specific University requirements or requests. The University can neither project nor guarantee a specific volume of business over the term of any contract that may result from this solicitation. ★

1.3.6 Ownership of Subsequent Samples: Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the University, when applicable, unless otherwise stated in the contract. ★

1.3.7 Samples: When applicable, the quality of accepted samples does not supersede the specifications for quality in the RFP unless the sample is superior in quality. All deliveries shall have at least the same quality as the accepted sample. ★

1.3.8 Samples: When applicable, samples shall be furnished free of charge. Bidders must indicate if return of any sample is desired. The University shall comply with such request provided samples are returned at bidder's sole cost and expense, FOB Bidder's destination, and that they have not been made useless by testing. If they are useless by testing, the State may dispose of the samples as it deems to be appropriate. Samples may be held for comparison with deliveries. ★

1.3.9 If the vendor fails to deliver or has delivered nonconforming goods, the University shall provide a cure notice as soon as discrepancy is identified. The vendor shall have up to ten (10) business days to correct the deficiency. If the vendor continues to be in default, Procurement will have the right to procure the correct goods from another source and charge the difference between the contracted price and the market price to the defaulting vendor. ★

1.3.10 Unless otherwise noted, prices shall include delivery and transportation charges fully prepaid F.O.B. DESTINATION. No extra charges for packing or packages will be allowed. ★

**Group 1.4: State of Connecticut Terms and Conditions**

1.4.1 Please indicate that your firm agrees to all the State of Connecticut terms and conditions found at this website: <http://contracting.uconn.edu/terms-and-conditions>. If your firm disagrees to any, please choose disagree and provide explanation and/or alternate language in the next line. ★

1.4.2 Please provide your exceptions to the State of CT terms and conditions as well as explanation and/or alternate language (if applicable).

<b>Group 1.5:</b>	<b>Delivery Requirements</b>	
1.5.1	Delivery Requirements: The University is in the midst of an ambitious, campus-wide building campaign which has resulted in the closing and/or relocation of roads and driveways through the Storrs campus, often times resulting in traffic congestion and making access to buildings and parking at the University difficult. To safeguard the students, faculty and staff, as well as the aesthetic beauty of the University, all bidders are reminded that the following rules and considerations will be required when making deliveries to any University of Connecticut campus: Driving speeds on campus must be kept at a maximum of 25 mph to ensure maximum safety. Pedestrians have the right of way at all times.	★
1.5.2	All traffic signs, lights or other indicators are to be obeyed. This is of utmost importance given the amount of construction and pedestrians on campus.	★
1.5.3	It is required that deliveries to any dining facility loading dock be made utilizing a maximum sized 24', 6 wheel truck. To facilitate other deliveries, it is imperative delivery trucks have the capability to off load large quantities (pallets) in short periods of time. No trailers are allowed.	★
1.5.4	Driving on sidewalks, unless otherwise posted, is forbidden. Violators will be tickets and chronic violators may be barred from doing business with the University. In those areas where sidewalk driving is permitted and required, drivers must employ adequate skills so as to avoid driving on adjacent green spaces.	★
1.5.5	Queuing up on sidewalks or in traffic lanes to await load zone access is not permitted as this poses a safety hazard to pedestrians and other vehicular traffic.	★
1.5.6	Drivers are required to shut off engines while making deliveries to loading zones.	★
1.5.7	Pallets will be picked up a daily basis.	★
<b>Group 2.1:</b>	<b>Scope of Work</b>	
2.1.1	In soliciting bids, it is the University's intent to establish a single primary source for this product. If, in the University's opinion, savings can be realized by using additional providers, the University will reserve the right to do so. The University will also reserve the right to negotiate by line item prior to any award and place orders in any manner deemed by the University to be in its best interest. The University reserves the right to make multiple awards resulting from this Request for Proposal should it believe that it would be in its best interest to do so.	★
<b>Group 2.2:</b>	<b>3.1 Company &amp; Management Information</b>	
2.2.1	Minimum requirements: Must have at least ten (10) years of experience providing Ice Hockey Equipment to collegiate level student-athletes.	★

2.2.7	Describe the qualities that differentiate your company from competition as it relates to Ice Hockey Equipment.	★
2.2.8	Why are you the best partner for us now? Why are you the best partner for us in the future?	★
<b>Group 2.3:</b>	<b>3.2 Account Management and Supplier Management</b>	
2.3.1	Minimum requirements: The Respondent shall designate at least one (1) dedicated individual for UCONN Athletics. The account manager will be responsible for compliance with the terms and conditions of this agreement, including, but not limited to: providing the programs with superior customer service and delivering a line of product that meets an Olympic caliber level athlete in a timely fashion while meeting all rule and regulations set forth by the NCAA and conference.	★
2.3.2	Please describe your organization's management hierarchy. Who will be responsible locally, regionally, and/or nationally for this account? Please provide specific names, titles, locations, and phone numbers. Will each of these resources be exclusively assigned to support the University account? If not, how many other accounts will they support? Provide the resume of the proposed account manager that will be assigned to this initiative.	★
2.3.3	What is your process for reporting ongoing progress and/or issues with the University's account?	★

2.3.4	Describe your process for annual reviews and for benchmarking the relationship with our programs. Who will perform that role?	★
2.3.5	How can you assist the University with its goal for cost reduction?	★
<b>Group 2.4:</b>	<b>Billing, Payments and Invoicing</b>	
2.4.1	Invoices: Please describe how the billing structure will work and who the University will deal with in this area.	★
2.4.2	Billing Dispute Resolution: All Respondent-caused billing errors/disputes must be completely resolved by the Respondent within thirty (30) days after notification.	★

<b>Group 2.5:</b>	<b>Contract Transition</b>	
2.5.1	At the end of the contract term resulting from this RFP, the University may publish another RFP for such services. The awarded vendor of this current RFP agrees to provide a smooth and orderly transition to any new Ice Hockey Equipment provider (Successor) to ensure minimal disruption and to avoid any decline in service to University staff and student-athletes. Respondent must be available and cooperative in any transition at the contract close-out.	★
