April 13, 2020

To: Interested Construction and Engineering Firms
Subject: Request for Statement of Qualifications
Stamford Parking Garage
State Project No. 0301- 0047, City of Stamford, Connecticut

The Connecticut Department of Transportation (CTDOT) is seeking to engage Construction Contractors and Design Engineers to execute a Design-Build contract for the final design and construction of the subject project.

All interested parties must comply with the document entitled "Design-Build Procurement Request for Statement of Qualifications (RFQ)" for State Project Number 0301-0047: Stamford Parking Garage. The RFQ provides details and requirements of the first stage of the selection process. This document is available at the following link for The Department of Administrative Services, State Contracting Portal for Department Of Transportation projects:

[State of Connecticut State Contracting Portal - Transportation, Department of](#)

This solicitation is open to all Contractors prequalified in Work Classification Group No. 25C - Vertical Construction. Contractors that are not prequalified may apply for prequalification as outlined in the RFQ document attached. A Design Engineering firm is required to be part of the construction Contractor's teams. Qualifications of the Design firm will be demonstrated through the information submitted in response to this solicitation.

Circumstances may require rescheduling or cancellation of projects, should such action be necessary the Department would be under no obligation to provide supplementary work for the teams selected for this project. The Department reserves the right to award subsequent phases of an assignment to other qualified teams.

All inquiries regarding the RFQ must be directed to the Department contact person identified in said document.

Very truly yours,

John S. Dunham, P.E,
Acting Construction Administrator
Bureau of Engineering and Construction
