### 3. QBS Longlist, Shortlist, Interview, and Fee Proposal Procedures

#### 3.1 Longlist Procedure (Pre-Screening):

- After the QBS Submittal Deadline has closed, the DAS/CS Policy & Procurement Unit will (1) determine if any prospective consultant firm exceeds contract limitations as specified in **1210 QBS Guidelines for Selection and Contract Limits**, and (2) review all QBS Submittal Booklets for compliance with **1212 QBS Submittal Booklet Instructions**.
- If a firm does *not* exceed the contract limitations *and* their QBS Submittal Booklet is acceptable, the firm *shall be* placed on the “**Longlist**” of consultant firms to be evaluated by the QBS Selection Panel.
- If a firm *exceeds* the contract limitations, the firm **shall not be** considered any further for the specific Contract.
- If a firm’s QBS Submittal Booklet is deficient, the firm **may not be** considered any further for the specific Contract.

#### 3.2 Shortlist Procedure (Screening):

- The QBS process is based on comparing and evaluating weighted criteria of qualifications and performance of all firms in relation to work of similar scope and complexity that is required for this specific contract in order to create a “Shortlist” of the most highly qualified firms. Each QBS Submittal Booklet will be evaluated by a QBS Selection Panel in accordance with the following “Screening Shortlist Rating Criteria Categories” and rating points:

Max. Rating Points:	Screening Shortlist Rating Criteria Categories:
50	Proposed Key Personnel’s Specialized Experience And Technical Competence For The Type Of Services Required For This Project
30	Proposed Team’s Capacity And Capability To Perform The Work, Including Any “Specialized Services” Required For This Project
20	Prime Firm’s Past Performance Record With The State And Other Clients

- After each booklet has been evaluated, the DAS/CS Policy & Procurement Unit will use the ratings to compute and create a list of the “most highly qualified firms” and, along with the total volume of work awarded to each firm in the previous five years (including number of contracts and dollar amounts), will furnish a “Screening Approval Memorandum” to DAS/CS Senior Management. DAS/CS Senior Management will review the memorandum and, using the ratings and total volume of work\*, will select the firms to be Shortlisted and invited to present their qualifications at an Interview. (\*NOTE: In order to achieve an equitable distribution of contracts, DAS/CS Senior Management may utilize the total volume of work to select the firms to be Shortlisted, provided, however, that the principle of selection of the most highly qualified firms is not violated.)

#### 3.4 Interview Procedure (Selection):

- Shortlisted firms will be invited to attend a **mandatory site visit, scope meeting, and interview**. Each firm’s Interview presentation will be evaluated by the QBS Selection Panel in accordance with the following “Selection Interview Rating Criteria Categories”:

- **NEW PROCEDURE – CONSULTANT SERVICES FEE PROPOSAL:** The top three most qualified firms will be notified and required to submit a “**Consultant Services Fee Proposal**” within ten (10) calendar days of the notification. Details will be included in the notification.
- The DAS/CS Policy & Procurement Unit will create a “Certified List” of the most highly qualified firms and, along with the total volume of work awarded to each firm in the previous five years\* and the Consultant Services Fee Proposals, will furnish a “Selection Approval Memorandum” to the DAS Deputy Commissioner or his delegated individual for his review and approval. . (\*NOTE: In order to achieve an equitable distribution of contracts, the Deputy Commissioner or his delegated individual may utilize the total volume of work to determine the final selection of the most qualified firm.)
