Town of Orange, Connecticut

July 27, 2020

SUBJECT: Town of Orange Tree & Limb Removal

SPECIFICATION REQUIREMENTS: Large bucket truck with operator. Must chip all brush, and logs into 6' lengths and stack neatly in piles alongside road where work is being performed. Work to be coordinated with Donald Foyer, Crew Chief, Orange Highway Department. All stumps must be cut within 6" off the ground.

A separate hourly rate should also to be included for a large bucket truck with operator and a truck and chipper including one man, when the need for additional tree removal may be needed.

All quotes must be on contractor's stationery. All quotes must be signed and dated. The prices quoted shall remain as stated until the contract is completed to the satisfaction of the Town. Work must be completed within four (4) weeks of bid award date.

A current original signed Insurance Certificate, minimum \$1,000,000 liability with the Town of Orange as additional insured must be submitted to the Public Works Department office at the Town Hall before the work can begin. You must also submit a current Worker's Compensation insurance certificate, as well as current vehicle registrations for the vehicles you will be using for doing the work.

Work must be coordinated with Mr. Donald Foyer, Sr., Crew Chief, Orange Highway Department, 203-891-4775.

**PROPOSAL DUE DATE: TUESDAY, AUGUST 11, 2020 at 10:00AM.
PUBLIC WORKS DEPARTMENT, ORANGE TOWN HALL.**

Any questions call Donald Foyer, Sr.

Cc: D. Foyer, Sr. Orange Highway Dept.
