Dear Mr. Laudati:

PROPOSED WORK/LOCATION: Replacement of Pleasant Valley Bridge, Clinton, CT.

We have reviewed your proposal to perform work within Corps of Engineers jurisdiction. We have assigned this file number NAE-2020-00865. Please reference this number in any future correspondence with us.

Since your project may have only minimal individual and cumulative impacts on waters and wetlands of the United States, it is authorized by the Corps of Engineers under the Connecticut General Permits (GPs). This authorization does not obviate the need to obtain other federal, state, or local approvals. You are responsible for ensuring that the work meets the terms and conditions of the CT GPs. We have recorded this project as permittee self-verification of the CT GPs in our database.

Please contact me at (978) 318-8703 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Kotelly". The signature is written in a cursive style with a large, looping "K" and "y".
