

Dear Client Agencies,

Below please find instructions for using Contract 14PSX0073:

1. Please note that many of the items provided in Vendor manufacturer catalogs do not fall into the scope of two-way radio equipment and services.
 - A. Two-way radio equipment and services are defined in the Contract as portable radios, mobile radios, mobile repeaters, desktop control stations, base station radios, base stations repeaters, two-way radio accessories and maintenance services.
 - B. The primary intent of this Contract is to provide two-way radio communication equipment and maintenance services. Items such as microwaves, pagers, consoles, furniture, and other non-related two-way radio equipment **shall not** be purchased through this Contract.
 2. Two-way radio accessories **shall only** be purchased with two-way radio communication equipment and **shall not** be purchased as a stand-alone purchase.
 - A. To purchase two-way radio accessories as a stand-alone purchase, please use Contract 16PSX0049 TWO-WAY RADIO PARTS (OEM AND NON OEM), SUPPLIES AND ACCESSORIES (EXCLUDES RADIOS).
- Link to Contract 16PSX0049:
http://www.biznet.ct.gov/SCP_Search/ContractDetail.aspx?ID=17013
3. Many of the Vendors list terms and conditions in their manufacturer catalogs. Any and all of these terms and conditions are null and void.
 - A. Client Agencies must follow the Terms and Conditions found in Contract 14PSX0073.
 4. DAS Procurement strongly encourages Client Agencies to make a best effort to purchase equipment meeting their business requirements, from a contractor with the overall lowest total cost for that order.
