

Instructions for Client Agencies  
Contract 16PSX0049

This contract #16PSX0049 is solely to provide new radio parts, supplies, and accessories for existing systems. This contract should **not** be used to purchase new radios or radio systems.

To acquire new radios or radio systems please use contract #14PSX0073 "Two-Way Radio Communication Equipment, Services, and Accessories." Contract #14PSX0073 does allow for accessories to be purchased along with your new radio equipment purchases.

Link to contract #14PSX0073.
