RFP-50 Rev. 7/31/15

Prev. Rev. 5/28/15

Prices for the Services listed in Exhibit B shall remain unchanged for twenty-four (24) months following the Effective Date of the Contract. In the event the Lead State elects to exercise its right to extend the Contract for either or both of the two optional one-year periods, the Lead State shall provide Contractor not less than ninety (90) days' advance written notice of its intent to do so. Contractor shall, within thirty (30) days following receipt of such notice, deliver to the Lead State any adjustments to the prices for the Services listed in Exhibit B that it may propose. The parties shall then have thirty (30) days within which to reach agreement on such adjustments, if any, and in the event the parties are unable to do so either party shall have the right to terminate the Contract at the expiration of the initial term or the expiration of the first optional extended term, as the case may be.

Notwithstanding the foregoing, the Contractor shall have the right to request a price adjustment during the thirty (30) days immediately preceding the annual anniversary dates of the Effective Date of the Contract during the term of the Contract or any extension. During this thirty (30) day period, the Contractor may submit a request in writing to DAS for a price adjustment that is consistent with and relative to price changes originating with and compelled by manufacturer and/or market trends and which changes are outside of the Contractor's control. The Contractor must fully document its request, attaching to the request, without limitation, such manufacturer and/or market data, as support for the requested adjustment. DAS shall act in good faith and in a commercially reasonable manner in determining whether to approve or disapprove the requested adjustment, in whole or in part. Any approved adjustment shall be final and shall remain unchanged until the next annual anniversary date of the Effective Date.

The Contractor shall submit all requests in accordance with Section #36. Notice. A request made to any entity other than DAS shall not be valid and the parties shall treat it as if the Contractor had not made the request at all. A request made to an entity other than DAS shall not be considered timely and shall not toll or extend the running of the thirty (30) days. The right of the Contractor to request a particular manufacturer- or market-based price adjustment shall lapse upon the expiration of the applicable thirty (30) days. If the Contractor fails to make a timely request, then the price shall remain unchanged from the previous year and shall continue through the next succeeding twelve (12) months and until the next annual anniversary of the Effective Date. If approved, price adjustments shall become effective ten (10) days after the date of the approval. The Contractor shall honor any reservations made prior to the effective date of the approval at the price in effect at the time of the reservation.

5. Reserved.
6. Participants; Purchase Order and Delivery. This Contract binds the Contractor to furnish and deliver to Purchasing Entities Services in accordance with Exhibit A and at the prices set forth in Exhibit B.
  - (a) Contractor may not deliver Services under this Contract until the Participating Entity and Contractor execute a mutually acceptable Participating Addendum and the Purchasing Entity has issued a Purchase Order and made a reservation for a vehicle rental.

- (e) The Contract is applicable to any Purchase Order by a Purchasing Entity, except to the extent altered, modified, supplemented or amended by a Participating Addendum applicable to the Purchasing Entity. Any alterations, modifications, supplements or amendments to the Contract must be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the Purchase Order used by the Purchasing Entity to place the Purchase Order. Such alterations, modifications, supplements or amendments apply only to the Participating Entity signing the Participating Addendum and the Participating Entities or Purchasing Entities renting box trucks under said Participating Addendum.
- (f) Use of this Contract by State agencies, political subdivisions and other Participating Entities authorized by an individual State's statutes to use State contracts are subject to the approval of the respective State's chief procurement official. Subject to applicable laws, issues of interpretation and eligibility for participation are solely within the authority of the respective State's chief procurement official.
- (g) Obligations under this Contract are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States are limited to the box truck rentals by the departments or other State agencies and institutions having available funds. Participating States incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@NASPOValuePoint.org to support documentation of participation and posting in appropriate data bases.
- (h) State Participating Addenda or other Participating Addenda shall not be construed to amend the terms of this Contract between the Lead State and Contractor.
- (i) Entities who are not a State may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the chief procurement official of the State where the Participating Entity is located (or such other approval as may be required by law). Requesting entities shall coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the requesting entity. Prior to executing a Participating Addendum, each entity must ensure that it has the requisite procurement authority to execute a Participating Addendum.

#### 7. Contract Amendments.

No amendment to or modification or other alteration of the Contract shall be valid or binding upon the parties unless made in writing, signed by DAS and the Contractor and, if applicable, approved by the Connecticut Attorney General.

- 8. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of DAS. DAS may void any purported assignment in violation of this section and declare the Contractor in breach of Contract. Any Termination by DAS for a breach is without prejudice to DAS's or the Lead State's rights or possible Claims.

#### 9. Termination.

- (a) Notwithstanding any provisions in this Contract, the Participating Entity, through a duly authorized employee, may terminate its Participating Addendum whenever Participating Entity makes a written determination that such termination is in the best interests of the Purchasing Entity. The Participating Entity shall notify the Contractor in writing of termination pursuant to this section,

which notice shall specify the effective date of termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.

- (b) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may terminate the Contract whenever DAS makes a written determination that such Termination is in the best interests of the Lead State. DAS shall notify the Contractor in writing of termination pursuant to this section, which notice shall specify the effective date of termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
- (c) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, terminate the Contract in accordance with the provisions in the Breach section of this Contract.
- (d) DAS shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to DAS for purposes of Notices hereunder, or by hand delivery. Upon receiving the notice from DAS, the Contractor shall immediately discontinue all services not being performed under outstanding Purchase Orders that are affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the Purchasing Entity all Records belonging to the Purchasing Entity no later than thirty (30) days after the termination of the Contract or fifteen (15) days after the Contractor receives a written request from either DAS or the Purchasing Entity for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
- (e) Upon receipt of a written notice of termination from DAS, a Participating Entity or a Purchasing Entity, as applicable, the Contractor shall cease rentals to the applicable Purchasing Entity(ies) as terminating entity directs in the notice, and take all actions that are necessary or appropriate, or that the terminating entity may reasonably direct, for the protection, and preservation of the any Records or other property belonging to DAS or the Purchasing Entity, as applicable. Except for any work which the terminating entity directs the Contractor to Perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall cease renting box trucks hereunder.
- (f) The Purchasing Entity shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its Performance rendered and accepted by the Purchasing Entity in accordance with Exhibit A, in addition to all actual and reasonable costs incurred after termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Purchasing Entity is not obligated to tender to the Contractor any payments for anticipated or lost profits.
- (g) For breach or violation of any of the provisions in the section concerning Representations and Warranties, DAS may terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
- (h) Upon termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
- (i) Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by DAS.

10. Cost Modifications. The parties may agree to a reduction in the cost of the Contract at any time during which the Contract is in effect. Without intending to impose a limitation on the nature of the reduction, the reduction may be to hourly, staffing or unit costs, the total cost of the Contract or the reduction may take such other form as the Lead State deems to be necessary or appropriate.

### 11. Breach.

- (a) If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice. Any other time provided for in the notice shall trump such ten (10) days. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the termination date, no further action shall be required of any party to effect the termination as of the stated date. If the notice does not set forth an effective Contract termination date, then the non-breaching party may terminate the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice following expiration, without cure, of the right to cure period.
- (b) If DAS believes that the Contractor has not performed according to the Contract, a Purchasing Entity of the State of Connecticut may withhold payment in whole or in part pending resolution of the Performance issue, provided that DAS notifies the Contractor in writing prior to the date that the payment would have been due.
- (c) With respect to breach of any Participating Addendum or Purchase Order issued by Purchasing Entities not part of the State of Connecticut, such Participating Entity or Purchasing Entity shall follow the procedures in paragraph 10(a) above. The Purchasing Entity may withhold payment in whole or in part pending resolution of the Performance issue, provided that the Purchasing Entity notifies the Contractor in writing prior to the date that the payment would have been due.

### 12. Waiver.

- (a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.
- (b) A party's or Purchasing Entity's failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any other rights, remedies or breach, or of any subsequent rights, remedies or breach.

### 13. Intentionally Omitted.

### 14. Purchase Orders.

- (a) The Contract itself is not an authorization for the Contractor to begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued Purchase Order against the Contract for Performance.
- (b) Contract and Purchase Order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices and on all correspondence.

- (b) The Contractor shall not be responsible for indemnifying or holding an Indemnified Party harmless from any liability arising due to the negligence of such Indemnified Party or any other person or entity acting under the direct control or supervision of that Indemnified Party.
- (c) The Contractor shall reimburse the affected Indemnified Party for any and all damages to the real or personal property of the Indemnified Party caused by the Acts of the Contractor or any Contractor Parties. The Indemnified Party shall give the Contractor reasonable notice of any such Claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, only to the extent the Contractor is alleged or is found to have contributed in part to the Acts giving rise to the Claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract.

#### (g) Liability for Rental Truck

The Contractor shall provide damage waiver (with \$0 customer retained responsibility) and supplemental liability insurance coverage with each truck rental transaction (in the U.S. and Puerto Rico) at no additional cost to the Lead State, Purchasing Entity and Driver. This supplemental liability insurance must extend third party liability protection to the Purchasing Entity and Driver in a combined single limit amount per occurrence of not less than \$1,000,000.00 per accident for bodily injury, death, or property damage to others arising out of the use or operation of the rental truck.

Subject to the actions that invalidate damage waiver as set forth in section (q) of Exhibit A. Contractor specifically waives any right to submit any claim against the Lead State, Purchasing Entity and Driver for any physical damage to, loss or theft of a truck provided under the Contract.

16. Forum and Choice of Law. Except as may be provided in a Participating Addendum, the parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the Lead State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

The Contractor is not obligated to make those efforts to Perform on an expedited and prioritized basis in accordance with this paragraph if doing so will make the Contractor breach any other contractual obligations that the Contractor may have to any other party. Any reallocation of staffing and/or resources undertaken by Contractor in good faith in an attempt to meet Purchasing Entity's requirements in such emergency situations shall not require Contractor to transfer personnel or vehicles from other locations without appropriate compensation for the actual expense involved in doing so. 42. Further Assurances. The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provisions of this Contract and which do not involve the vesting of rights or assumption of obligations other than those provided for in the Contract, in order to give full effect to the Contract and to carry out the intent of the Contract.
43. Intentionally Omitted.
44. Background Checks. The Lead State may require that the Contractor and Contractor Parties undergo criminal background checks as provided for in the State of Connecticut Department of Emergency Services and Public Protection Administration and Operations Manual or such other Lead State document as governs procedures for background checks. The Contractor and Contractor Parties shall cooperate fully as necessary or reasonably requested with the Lead State and its agents in connection with such background checks.
45. Continued Performance. The Contractor and Contractor Parties shall continue to Perform their obligations under the Contract while any dispute concerning the Contract is being resolved.
46. Intentionally Omitted.
47. Contractor Responsibility.
- (a) The Contractor shall be responsible for the entire Performance under the Contract regardless of whether the Contractor itself performs. The Contractor shall be the sole point of contact concerning the management of the Contract, including Performance and payment issues. The Contractor is solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of the Contract.
48. Severability. If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those as to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.
49. Confidential Information. The Lead State, Participating Entities and Purchasing Entities will afford due regard to the Contractor's request for the protection of proprietary or confidential information which the Lead State, Participating Entity or Purchasing Entity receives. However, all materials associated with the Proposal and the Contract are subject to the terms of the Connecticut, and, if applicable, Participating Entity's Open Records or Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the Contractor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Proposal, the Records and the specifications, conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as CONFIDENTIAL, the entity receiving the FOIA

Lead State, Participating Entities and Purchasing Entities, however, have no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Contractor shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the Lead State, Participating Entities or Purchasing Entities have any liability for the disclosure of any documents or information in their possession which they believe are required to be disclosed pursuant to the applicable FOIA or other requirements of law.

50. References to Statutes, Public Acts, Regulations, Codes and Executive Orders. All references in this Contract to any statute, public act, regulation, code or executive order shall mean such statute, public act, regulation, code or executive order, respectively, as it has been amended, replaced or superseded at any time. Notwithstanding any language in this Contract that relates to such statute, public act, regulation, code or executive order, and notwithstanding a lack of a formal amendment to this Contract, this Contract shall always be read and interpreted as if it contained the most current and applicable wording and requirements of such statute, public act, regulation, code or executive order as if their most current language had been used in and requirements incorporated into this Contract at the time of its execution.
51. Cross-Default.
- (a) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under the Contract, then DAS may, in its sole discretion, without more and without any action whatsoever required of the Lead State, treat any such event as a breach, default or failure to Perform under any or all other Purchase Orders or Participating Addenda (“Other Agreements”) that the Contractor or Contractor Parties have under this Contract. Accordingly, DAS may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.
- (b) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under any or all Other Agreements, then DAS may, in its sole discretion, without more and without any action whatsoever required of the Lead State, treat any such event as a breach, default or failure to Perform under the Contract. Accordingly, the Lead State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS or the Lead State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to Perform under the Contract.
52. Disclosure of Records. This Contract may be subject to the provisions of section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.
53. Summary of State Ethics Laws. Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of Lead State ethics laws developed by the Lead State Ethics

54. Sovereign Immunity. The parties acknowledge and agree that nothing in the Request for Proposals, the Contract, the Participating Addendum or any other document or instrument relating to any of them shall be construed as a modification, compromise or waiver by the Lead State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the Lead State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of any of them. To the extent that this section conflicts with any other section in this Contract, the Request for Proposals or in any document or instrument relating to any of them, this section shall govern.
