- (n) Solicitation: A State request, in whatever form issued, inviting bids, proposals or quotes for Goods or Services, typified by, but not limited to, an invitation to bid, request for proposals, request for information or request for quotes. The Solicitation and this Contract shall be governed by the statutes, regulations and procedures of the State of Connecticut, Department of Administrative Services, even if the CGA has statutes, regulations and procedures which overlap DAS's. However, to the extent that the CGA has statutes, regulations or procedures which the CGA determines in its sole discretion to be inconsistent with DAS's, the CGA's shall control over those of DAS's.

The Solicitation is incorporated into and made a part of the Contract as if it had been fully set forth in it if, but only if, the Solicitation is in the form of an invitation to bid, request for information or request for quotes. The Solicitation may involve an invitation to bid, request for proposals, request for information or request for quotes, each of which may be governed by different statutory, regulatory and administrative procedures. ALTHOUGH THIS CONTRACT USES THE TERMS "SOLICITATION" AND "BID", ITS USE OF THOSE TERMS IS INTENDED ONLY FOR PURPOSES OF CONVENIENCE AND SHALL NOT BE DEEMED TO BE A CONTROLLING STATEMENT AS TO THE TYPE OF SOLICITATION USED OR THE RESPECTIVE RIGHTS AND OBLIGATIONS OF THE PARTIES. THE IDENTIFICATION IN THE SOLICITATION OF THE PARTICULAR PROCUREMENT VEHICLE THE STATE IS USING TO SOLICIT GOODS OR SERVICES SHALL CONTROL. Therefore, if the Solicitation identifies the procurement vehicle as something other than an Invitation to Bid, the terms "Solicitation" and "Bid," as used in this Contract, shall be read to mean "Request for Proposals," "Proposal" and

3. Description of Goods or Services and Additional Terms and Conditions. The Contractor shall perform as set forth in Attachment A. For purposes of this Contract, to perform and the performance in Attachment A. is referred to as “Perform” and the “Performance.”
4. Rejected Items; Abandonment.
  - (a) The Contractor may deliver, cause to be delivered, or, in any other way, bring or cause to be brought, to any CGA premises or other destination, Goods, as samples or otherwise, and other supplies, materials, equipment or other tangible personal property. The CGA may, by written notice and in accordance with the terms and conditions of the Contract, direct the Contractor to remove any or all such Goods (the “Rejected Goods”) and any or all other supplies, materials, equipment or other tangible personal property (collectively, the “Contractor Property”) from and out of the CGA premises and any other location which the CGA or State manages, leases or controls. The Contractor shall remove the Rejected Goods and the Contractor Property in accordance with the terms and conditions of the written notice. Failure to remove the Rejected Goods or the Contractor Property in accordance with the terms and conditions of the written notice shall mean, for itself and all Contractor Parties, that:
    - (1) they have voluntarily, intentionally, unconditionally, unequivocally and absolutely abandoned and left unclaimed the Rejected Goods and Contractor Property and relinquished all ownership, title, licenses, rights, possession and interest of, in and to (collectively, “Title”) the Rejected Goods and Contractor Property with the specific and express intent of (A) terminating all of their Title to the Rejected Goods and Contractor Property, (B) vesting Title to the Rejected Goods and Contractor Property in the State of Connecticut and (C) not ever reclaiming Title or any future rights of any type in and to the Rejected Goods and Contractor Property;
    - (2) there is no ignorance, inadvertence or unawareness to mitigate against the intent to abandon the Rejected Goods or Contractor Property;
    - (3) they vest authority, without any further act required on their part or the CGA’s part, in the CGA and the State to use or dispose of the Rejected Goods and Contractor Property, in the CGA’s sole discretion, as if the Rejected Goods and Contractor Property were the CGA’s or State’s own property and in accordance with law, without incurring any liability or obligation to the Contractor or any other party;
    - (4) if the CGA or State incur any costs or expenses in connection with disposing of the Rejected Goods and Contractor Property, including, but not limited to, advertising, moving or storing the Rejected Goods and Contractor Property, auction and other activities, the CGA shall invoice the Contractor for all such cost and expenses and the Contractor shall reimburse the CGA no later than thirty (30) days after the date of invoice; and

  - (b) The Contractor shall secure from each Contractor Party, as appropriate, such document or instrument as necessary or appropriate as will vest in the Contractor plenary authority to bind the

Contractor Party to the full extent necessary or appropriate to give full effect to all of the terms and conditions of this section. The Contractor shall provide, no later than fifteen (15) days after receiving a request from the CGA, such information as the CGA may require to evidence, in the CGA's sole determination, compliance with this section.

5. Order and Delivery. The Contract shall bind the Contractor to furnish and deliver the Goods or Services in accordance with Attachment A and at the prices set forth in Attachment B. Subject to the sections in this Contract concerning Force Majeure, Termination and Open Market Purchases, the Contract shall bind the CGA to order the Goods or Services from the Contractor, and to pay for the accepted Goods or Services in accordance with Attachment B.
6. Contract Amendments. No amendment to or modification or other alteration of the Contract shall be valid or binding upon the CGA unless made in writing, and signed by both parties.
7. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the CGA. The CGA may void any purported assignment in violation of this section and declare the Contractor in breach of Contract. Any Termination by the CGA for a breach is without prejudice to the CGA's or the State's rights or possible Claims.
8. Termination.
  - (a) Notwithstanding any provision in this Contract, the CGA, through a duly authorized employee, may Terminate the Contract whenever the CGA makes a written determination that such Termination is in the best interests of the CGA. The CGA shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
  - (b) Notwithstanding any provision in this Contract, the CGA, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.
  - (c) The CGA shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the CGA for purposes of correspondence, or by hand delivery. Upon receiving the notice from the CGA, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the CGA all Records. The Records are deemed to be the property of the CGA and the Contractor shall deliver them to the CGA no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the CGA for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
  - (d) Upon receipt of a written notice of Termination from the CGA, the Contractor shall cease operations as the CGA directs in the notice, and take all actions that are necessary or appropriate, or that the CGA may reasonably direct, for the protection and preservation of the Goods and any other property. Except for any work which the CGA directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
  - (e) The CGA shall, within forty-five (45) days after the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the CGA in accordance with Attachment A, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive, and the CGA is not obligated to tender to the Contractor, any payments for anticipated or lost profits. Upon request by the CGA, the Contractor shall assign to the CGA, or any replacement contractor which the CGA designates, all subcontracts, purchase orders and other commitments, deliver to the CGA all Records and other information pertaining to its

- Performance, and remove from CGA premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as the CGA may request.
- (f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, the CGA may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
  - (g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
  - (h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by the CGA.
9. Cost Modifications. The parties may agree to a reduction in the cost of the Contract at any time during which the Contract is in effect. Without intending to impose a limitation on the nature of the reduction, the reduction may be to hourly, staffing or unit costs, the total cost of the Contract or the reduction may take such other form as the CGA deems to be necessary or appropriate.
10. Breach. If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within thirty (30) days from the date that the breaching party receives such notice. Any other time provided for in the notice shall trump such thirty (30) days. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract Termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the Termination date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Contract Termination date, then the non-breaching party may Terminate the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice. If the CGA believes that the Contractor has not performed according to the Contract, the CGA may withhold payment in whole or in part pending resolution of the Performance issue, provided that the CGA notifies the Contractor in writing prior to the date that the payment would have been due in accordance with Attachment B.
11. Waiver.
- (a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.
  - (b) A party's failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any subsequent rights, remedies or breach.
12. Open Market Purchases. Failure of the Contractor to Perform within the time specified in the Contract, or failure to replace rejected or substandard Goods or fulfill unperformed Services when so requested and as the Contract provides or allows, constitutes a breach of the Contract and as a remedy for such breach, such failure shall constitute authority for the CGA, if it deems it to be necessary or appropriate in its sole discretion, to Terminate the Contract and/or to purchase on the open market, Goods or Services to replace those which have been rejected, not delivered, or not Performed. However, if the CGA deems it to be in the best interest of the CGA, the CGA may accept and use the Goods and/or Services delivered which are substandard in quality, subject to an adjustment in price to be negotiated by the CGA and the Contractor.

### 13. Purchase Orders.

- (a) The Contract itself is not an authorization for the Contractor to ship Goods or begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued purchase order against the Contract for Performance.
- (b) The CGA shall issue a purchase order against the Contract directly to the Contractor and to no other party.
- (c) All purchase orders shall be in written or electronic form, bear the Contract number (if any), be signed and comply with all other State and CGA requirements, particularly the CGA's requirements concerning procurement. Purchase orders issued in compliance with these requirements shall be deemed to be duly issued.
- (d) A Contractor making delivery without a duly issued purchase order in accordance with this section does so at the Contractor's own risk.
- (e) The CGA may, in its sole discretion, deliver to the Contractor any or all duly issued purchase orders via electronic means only, such that the CGA shall not have any additional obligation to deliver to the Contractor a "hard copy" of the purchase order.

### 14. Indemnification.

- (a) The Contractor shall indemnify, defend and hold harmless the CGA and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or Contractor Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the CGA in carrying out its obligations under this section. The Contractor's obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the Contractor's bid, proposal or any Records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the Performance.
- (b) The Contractor shall not be responsible for indemnifying or holding the CGA harmless from any liability arising due to the negligence of the CGA or any other person or entity acting under the direct control or supervision of the CGA.
- (c) The Contractor shall reimburse the CGA for any and all damages to the real or personal property of the CGA caused by the Acts of the Contractor or any Contractor Parties. The CGA shall give the Contractor reasonable notice of any such Claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the CGA is alleged or is found to have contributed to the Acts giving rise to the Claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall cause the CGA to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to the CGA prior to the Effective Date of the Contract evidencing that the CGA is an additional insured. The Contractor shall not begin Performance until the delivery of these three documents to the CGA. The CGA shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the CGA or the CGA is contributorily negligent.

- (f) This section shall survive the Termination of the Contract and shall not be limited by reason of any insurance coverage.

### 15. Forum and Choice of Law.

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

### 16. Contractor Guaranties. The Contractor shall:

- (a) Perform fully under the Contract;
- (b) Guarantee the Goods or Services against defective material or workmanship and to repair any damage or marring occasioned in transit or, at the CGA's option, replace them;
- (c) Furnish adequate protection from damage for all work and to repair damage of any kind, for which its workers are responsible, to the premises, Goods, the Contractor's work or that of Contractor Parties;
- (d) With respect to the provision of Services, pay for all permits, licenses and fees and give all required or appropriate notices;
- (e) Adhere to all Contractual provisions ensuring the confidentiality of Records that the Contractor has access to and are exempt from disclosure under the State's Freedom of Information Act or other applicable law; and
- (f) Neither disclaim, exclude nor modify the implied warranties of fitness for a particular purpose or of merchantability.

### 17. Implied Warranties. The CGA does not disclaim, exclude or modify the implied warranty of fitness for a particular purpose or the warranty of merchantability.

### 18. Goods, Standards and Appurtenances. Any Goods delivered must be standard new Goods, latest model, except as otherwise specifically stated in the Contract. Remanufactured, refurbished or reconditioned equipment may be accepted but only to the extent allowed under the Contract. Where the Contract does not specifically list or describe any parts or nominal appurtenances of equipment for the Goods, it shall be understood that the Contractor shall deliver such equipment and appurtenances as are usually provided with the manufacturer's stock model.

### 19. Delivery.

- (a) Delivery shall be made as ordered and in accordance with the Contract. Unless otherwise specified in the Contract, delivery shall be to a loading dock or receiving platform. The Contractor or Contractor's shipping designee shall be responsible for removal of Goods from the carrier and placement on the CGA loading dock or receiving platform. The receiving personnel of the CGA are not required to assist in this process. The decision of the CGA as to reasonable compliance with delivery terms shall be final and binding. The burden of proof of proper receipt of the order shall rest with the Contractor.
- (b) In order for the time of delivery to be extended, the CGA must first approve a request for extension from the time specified in the Contract, such extension applying only to the particular item or shipment.

- 
- (c) Goods shall be securely and properly packed for shipment, according to accepted standard commercial practice, without extra charge for packing cases, baling or sacks. The containers shall remain the property of the CGA unless otherwise stated in the Contract.
- (d) All risk of loss and damage to the Goods transfers to the CGA upon Title vesting in the CGA.
20. Goods Inspection. The CGA shall determine the manner and prescribe the inspection of all Goods and the tests of all samples submitted to determine whether they comply with all of the specifications in the Contract. It is in the CGA's sole discretion to determine if any Goods fail in any way to meet the specifications in the Contract. The Contractor and the CGA shall then resolve such failure in a manner as agreed up on by both parties.
21. Emergency Standby for Goods and/or Services. If any Federal or State official, having authority to do so, declares an emergency or the occurrence of a natural disaster within the State of Connecticut, the CGA may request the Goods and Services on an expedited and prioritized basis. Upon receipt of such a request the Contractor shall make all necessary and appropriate commercially reasonable efforts to reallocate its staffing and other resources in order to give primary preference to Performing this Contract ahead of or prior to fulfilling, in whole or in part, any other contractual obligations that the Contractor may have. The Contractor is not obligated to make those efforts to Perform on an expedited and prioritized basis in accordance with this paragraph if doing so will make the Contractor materially breach any other contractual obligations that the Contractor may have. Contractor shall acknowledge receipt of any request made pursuant to this paragraph within 2 hours from the time that the Contractor receives it via purchase order or through a request to make an expedited or prioritized purchase through the State of Connecticut Purchasing Card (MasterCard) Program (the "P-Card Program"). If the Contractor fails to acknowledge receipt within 2 hours, confirm its obligation to Perform or actually Perform, as set forth in the purchase order or through the P-Card Program, then the CGA may procure the Performance from another source without further notice to Contractor and without creating any right of recourse at law or in equity against the CGA.
22. Setoff. In addition to all other remedies available hereunder, the CGA, in its sole discretion, may setoff (1) any costs or expenses that the CGA incurs resulting from the Contractor's unexcused nonperformance under the Contract and under any other agreement or arrangement that the Contractor has with the CGA and (2) any other amounts that are due or may become due from the CGA to the Contractor, against amounts otherwise due or that may become due to the Contractor under the Contract, or under any other agreement or arrangement that the Contractor has with the CGA. The CGA's right of setoff shall not be deemed to be the CGA's exclusive remedy for the Contractor's or Contractor Parties' breach of the Contract, all of which shall survive any setoffs by the CGA.
23. Force Majeure. The CGA and the Contractor shall not be excused from their obligation to Perform in accordance with the Contract except in the case of Force Majeure events and as otherwise provided for in the Contract. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance.
24. Advertising. The Contractor shall not refer to sales to the CGA for advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without the CGA's prior written approval.
25. Americans With Disabilities Act. The Contractor shall be and remain in compliance with the Americans with Disabilities Act of 1990 ("Act"), to the extent applicable, during the term of the Contract. The CGA may Terminate the Contract if the Contractor fails to comply with the Act.

26. Representations and Warranties. The Contractor, represents and warrants to CGA for itself and Contractor Parties, that:

- (a) if they are entities, they are duly and validly existing under the laws of their respective states of organization and authorized to conduct business in the State of Connecticut in the manner contemplated by the Contract. Further, as appropriate, they have taken all necessary action to authorize the execution, delivery and Performance of the Contract and have the power and authority to execute, deliver and Perform their obligations under the Contract;

None of the cartons may weight more than 35 lbs. The LCO will provide the Contractor with an Excel spreadsheet electronic address label file for such shipping of individual volumes, but such file will contain no information concerning the quantities of books to be shipped to each addressee. The Contractor shall generate whatever labeling is necessary for such shipments, and shall ship the quantities of books specified in **Attachment H** or in the final delivery instructions provided to the Contractor by the LCO.
