Re: Master Agreement #A-84-011

Dear Ms. Garfield:

I have received your recent request to update the Product Schedule associated with the above noted Master Agreement. **This change adds the attached services for Lexis Advance® to the Product Schedule.** Given the terms and conditions of this agreement, the request to update the Product Schedule is approved. Please consider the services a part of the associated Master Agreement and retain this approval for future reference.

A copy of your Product Schedule Update request is attached to this letter.

Best regards,

A handwritten signature in blue ink is written over a black rectangular redaction box.

## A Practical Guide to Disputes Between Adjoining Landowners - Easements

Provides expert substantive and procedural guidance for the entire range of disputes between landowners. Covers all the real property issues arising from proximity of property to neighbors or its use by others. Deals with easements; covenants running with the land; equitable servitudes; licenses; adverse possession; trespass; mines and mining; party walls; boundary disputes; nuisance; lateral and subjacent support; petroleum exploration, production, and storage; water rights; rights to airspace; landlord-tenant issues; public lands; and more. From overhanging apple trees to the right to connect a sewage system into a septic tank--it's covered here!

Each chapter follows a consistent format. After discussing the substantive legal issues, a chapter typically contains the following parts:

- Pleadings and proof: statute of limitations, burden of proof, presumptions, parties, and defenses.
- Remedies: self-help, injunctions, actions for damages, ejectment, and assumpsit.
- Practice aids: detailed checklists analyzing all aspects of the court actions available to a party in each type of dispute, and forms of agreements and pleadings--the checklists and forms are cross-referenced to the discussion in the earlier parts of each chapter!
- Bibliography

Citation to case and statutory authority is plentiful. Footnotes are arranged according to jurisdiction, so you can easily spot the cases most useful to you.

Includes an entire chapter devoted to alternative dispute resolution and a detailed index.  
First published in 1989.

## A Practical Guide to Winning Land Use Approvals and Permits

Goes beyond the legal requirements to provide practical strategies and advice for obtaining and opposing the requisite approvals and permits.

Coverage includes:

- Zoning requirements and restrictions
- Governmental approvals of residential subdivisions
- Environmental requirements and restrictions, permits and approvals, audits and impact reviews
- Zoning ordinance amendments, use and area variances, special use permits and zoning enforcement actions
- Strategies for obtaining necessary administrative approvals
- Judicial review of governmental determinations: principles, procedures and a sample court challenge
- Trends in growth management programs; and contemporary issues in land use permitting, including the regulation of cellular towers, sexually oriented businesses, and signs.

Practice material includes step-by-step case studies and more than 60 forms that include sample local ordinances, applications for permits, and administrative and judicial proceeding documents.

First published in 1989.

1 Volume; Looseleaf; updated with revisions.

Also available on Authority Environmental Law Library CD-ROM.

## Antieau on Local Government Law, Second Edition

*Sandra M. Stevenson*

**Antieau on Local Government Law**, Second Edition, continues the comprehensive treatment of local government law begun when this publication was first written more than 40 years ago by Chester James Antieau, one of the nation's leading experts on local government law and civil rights. Newly revised and completely updated, the treatise provides a current and complete perspective on municipal corporations, as well as independent local government entities, and counties, adding emerging topics such as telecommunications, while still covering the same broad subject areas with which users have become accustomed:

- Authorities & Districts
- Contracts
- Education
- Elections and Referendums
- Exercise of Powers
- Finances
- General Powers
- Judicial Actions and Local Courts

- Land Use Regulation
- Officers and Employees
- Organization
- Relationship With Other Governments
- Services and Assistance
- Torts

Topics such as franchising, ordinances, police powers, home rule, public housing, public assistance, charters, intergovernmental relations, and education continue as the touchstones of the publication. Centralized and intense general discussions facilitate research. Precise jurisdiction headings for each authority in the footnotes are now provided. Year-of-decision dates for each authority have been continued. The treatise highlights the foremost authorities in each topic area.

First published in 1955.

6 Volumes; Looseleaf; updated with revisions 3 times annually.

## Brownfields Law and Practice: The Cleanup and Redevelopment of Contaminated Land

*Michael B. Gerrard*

Definitive and up-to-date coverage of brownfields laws, regulations, programs, and procedures across the nation.

**Brownfields Law and Practice: The Cleanup and Redevelopment of Contaminated Land** is the complete guide for developers, investors, lenders, property owners, and others who want to seize the opportunity of profitable investment, voluntary cleanup or redevelopment of contaminated land and for their attorneys. It is replete with practice notes and analysis of rapidly evolving federal and state initiatives, programs and policies so that lawyers can most effectively counsel their clients, consider choices in structuring brownfields transactions and negotiate agreements with other parties, including exit strategies to enable brownfields projects to successfully proceed.

Every aspect of the brownfields endeavor, such as legal liability pitfalls, assessments of contamination, self-audit privilege laws, valuation of contaminated property, financial issues and incentives, tax considerations, and specialized insurance policies is considered in-depth. In addition, explanations of federal and state requirements as to problems frequently encountered in the brownfields cleanup process, such as underground storage tanks, asbestos-containing materials, vapor intrusion, lead-based paint, hazardous substance spills, environmental contractor licensing and laboratory certification, are provided.

As a result of having the complete brownfields guide, each party and its counsel can:

- Identify and understand the applicable laws and issues
- Select the appropriate type and degree of cleanup
- Assess the environmental, financial, and legal risks and liabilities
- Minimize and allocate those potential risks and liabilities
- Make optimal use of opportunities for brownfields redevelopment and reuse

Features include detailed chapter summaries; extensive headings and subheadings; practice pointers; sample forms; individual state chapters; lists of laws, governmental contacts, brownfields redevelopers, and web sites; appendices of EPA policy statements and memoranda of agreement; glossary of terms; and bibliography.

## Carbon Trading Law and Practice

*Scott Deatherage*

In **Carbon Trading Law and Practice**, author Scott D. Deatherage provides practitioners with a comprehensive practical guide to the US and international practice of carbon emissions trading. The book includes a comprehensive examination of state, federal, and international climate change and greenhouse gas laws and regulations, emissions trading, international and EU law, other reduction programs, carbon credit projects and financing, climate change disclosure, and the US regulatory regime for greenhouse gas regulation and emissions trading. The book also provides a detailed description of the development and current status of greenhouse gas regulations in the United States, and the current state of affairs in terms of US carbon markets.

The use of market-based systems as a means of regulating emissions and other environmental pollution or degradation is a growing phenomenon. As nations and states appear to be responding to scientific pronouncements regarding the existence and causes of climate change, environmental markets appear to be one of the main tools that will be used to address greenhouse gas emissions. **Carbon Trading Law and Practice** provides the fundamental explanation and the underlying legal systems and issues that serve to create and sustain carbon credit creation and the trading of these credits, and a series of related legal and business issues.

Features

- Excellent guide for practitioners involved in the voluntary credit market or the developing market for those that will be required to meet greenhouse gas emission restrictions in the future

- Comprehensive treatment of the areas of law surrounding carbon trading, including accessible explanations of key issues and terms

## Civil Rights Actions

*John L. Sobieski, Jr., Joseph G. Cook*

Turn to **Civil Rights Actions**, a comprehensive, up-to-date treatise that analyzes every aspect of civil rights for background, insight, and perspective. You'll find broad coverage as well as case-critical information, from statutes that Congress enacted in the late 1950's to the latest developments in civil rights legislation.

Learn from the author's discussion of absolute and qualified immunity, the relationship between state and federal courts, and the procedural framework of civil rights actions, as well as coverage of such specific areas as:

- The Americans with Disabilities Act
- Employment discrimination
- Age discrimination
- Privacy issues
- Property rights
- Fair housing
- Prisoners' rights
- Voting rights

Two volumes of forms

Use the practice forms in the last two volumes for your civil rights matter! For each cause of action you'll find tried-and-true forms and practice guides you can apply to your case. 7 volumes; loose-leaf; updated with supplements and revisions; Pub. 0199

## Clark on Surveying and Boundaries

Since 1922, generations of lawyers and surveyors have worked out the legal pitfalls of retracing original surveys and reestablishing lost and obliterated corners using the late Frank Emerson Clark's classic work *A Treatise on the Law of Surveying and Boundaries*. The Seventh Edition of **Clark on Surveying and Boundaries** maintains the proven, easy-to-use format of earlier editions while digesting the latest case law, regulations, and statutes. Cited in decision after decision, **Clark on Surveying and Boundaries** is recognized by surveyors and lawyers as the authoritative reference on surveying and subdividing public lands. The treatise is kept up to date with an annual supplement.

## Education Law

A nationally oriented work in the vital area of Education Law. "**Education Law**" is an indispensable reference for attorneys who represent persons having a grievance against educational institutions, and attorneys representing such institutions, as well as school board members and administrators.

Authoritative analysis of federal and state statutes and cases affecting public and private educational institutions at all levels  
Includes such topics as:

- banning of books,
- school prayer,
- dealing with students afflicted with AIDS,
- tax-exempt status for parochial schools,
- funding accreditations,
- tort liability
- guidance on collective bargaining strategies,
- drafting codes of student conduct and conducting student searches
- selected forms, including contracts, model school policies, litigation forms, as well as checklists
- tables of state legislation concerning important issues facing educational institutions

First published 1984. 7 volumes; looseleaf; updated with revisions.

## Effective EPA Advocacy

*Richard G. Stoll*

**Effective EPA Advocacy** authored by Richard Stoll, provides a practical perspective on conducting effective advocacy before the federal Environmental Protection Agency (EPA) in both the rulemaking process and the (equally if not more important) decision-

making processes outside the rulemaking context, such as the issuance of interpretative memoranda, guidance documents, and letter rulings.

Based on the author's observations and insights from eight years in the EPA's Office of General Counsel and twenty seven years in the private sector representing clients in matters before the EPA, **Effective EPA Advocacy** explains what goes on behind-the-scenes in the making of important national laws (regulations are, after all, laws). This book also includes summary coverage of the fundamentals of major environmental statutes and a brief overview of the federal rulemaking and judicial review processes.

#### Features

- A unique, comprehensive guide on navigating the rulemaking and decision-making process before the federal Environmental Protection Agency.
- Written by an experienced practitioner who specializes in environmental law matters and federal administrative law.
- Provides an overview of the most vital major environmental statutes and synopses of the federal rulemaking and judicial review processes.

## Environmental Law in Real Estate and Business Transactions

*David R. Berz, Adam P. Stochak, Stanley M. Spracker*

This publication provides comprehensive coverage of environmental issues in real property and business transactions; contains both treatise and practice guide materials (including checklists, case studies, forms and EPA administrative materials) on:

- Liability issues involving CERCLA, RCRA, and the Clean Water Act
- Underground storage tanks
- Federal and state liens and superliens
- Siting requirements for wetlands
- Restrictions on property transfers with state specific statutes and forms
- Environmental issues in mergers and acquisitions, including SEC disclosure requirements, due diligence, and bankruptcy
- Lender liability
- Indoor air quality and asbestos in commercial buildings
- Global climate change and its impact on business
- International environmental issues

First published in 1992.

3 Volumes; Looseleaf; updated with revisions.

## Environmental Law Practice Guide

*Michael B. Gerrard*

Comprehensive coverage of the entire spectrum of federal and state environmental law. Everything you need all in one place! Provides practical guidance that cuts across all substantive areas of environmental law. Written for attorneys, consultants, regulators and facility managers by some of the foremost authorities in the country, this publication provides guidance through complex procedures and phases of environmental law practice, featuring state-by-state as well as subject-by-subject coverage.

The set consists of four major units:

- Unit I: step-by-step guidance for procedural items involving, for example, environmental impact statements, land preservation, government financing, environmental management systems, document retention requirements, consultants and contractors, environmental due diligence, audits, liability, insurance, taxation, international activities, Indian country activities, regulatory takings, litigation, citizen suits, environmental justice, attorney's fees, conflicts of interest, ADR, civil and criminal enforcement, and practice before the EPA.
- Unit II: substantive law of environmental quality: air and water pollution, pollution prevention, indoor air quality, vapor intrusion, global climate change, green buildings and sustainable development, environmental trading programs, wetlands, drinking water, noise, oceans and coasts, and wildlife protection.
- Unit III: regulated substances and waste management, e.g.: identifying hazardous substances and hazardous wastes, RCRA, CERCLA, TSCA, OSHA, EPCRA, hazmat transportation, agricultural issues, pesticides, asbestos, lead, PCBs, molds, used oil, medical and infectious wastes, storage tanks, radioactive materials, preparation and responses to disasters and terrorism.
- Unit IV: state-by-state (plus D.C. and Puerto Rico) guide to environmental law, including an examination of the federal-state relationship, and state environmental law procedures, programmatic areas and reference guides.

Practice materials include permit and litigation forms, lease clauses, environmental audit checklists, due diligence inquiry letters, site investigation and remediation forms and checklists directories of state governmental offices, lists of environmental and trade associations in each state, and bibliographies. Upon its initial publication, this set was named the Year's Best New Legal Practice Book by the Association of American Publishers.

Also available on Authority Environmental Law Library CD-ROM.

## Insurance and Risk Management for State & Local Governments

A complete guide in three parts for the attorney advising public entities on the legal issues of risk management.

- Part I introduces the concepts of risk and risk management.
- Part II deals with the perils and hazards of public entities, specifically governmental tort liability.
- Part III covers insurance policies and risk management alternatives other than commercial insurance.

Also includes standard Insurance Services Office (ISO) and other forms and checklists.

First published in 1991.  
1 Volume; Looseleaf; updated.

Also available online.  
The eBook version of this title features links to Lexis Advance for further legal research options.

## Insurance Coverage for Environmental Claims

*Mitchell L. Lathrop*

Who Should Pay the Costs of Environmental Cleanup?

Whether you represent the insurer or the insured, the potential costs can run into the millions if your client is found liable. To help you effectively represent your client, this comprehensive, two-volume treatise will walk you through the complexities of environmental insurance coverage. This treatise will provide you with clear and concise analysis of:

- federal statutes, such as CERCLA, RCRA, NEPA, TSCA, EPCRA, OPCA, the Refuse Act, CWA, CAA, and the state analogs;
- the particular insurance policies at issue;
- reinsurance;
- case preparation and discovery;
- jurisdiction, venue and choice of law
- scientific and technical considerations--environmental assessment and remediation techniques; and
- the implications of climate change for the insurance industry.

Cutting Client Costs--Consider Alternatives to Litigation

Expensive litigation, uncertainty of results, publicity, and lengthy time delays are making alternative dispute resolution (ADR) an increasingly welcomed vehicle for resolving both domestic and international insurance disputes. Mitchell Lathrop provides extensive coverage of the non-litigation avenues available to insurers and insureds alike.

Stay Up-to-Date with the Latest Insurance Topics

With cutting edge coverage of the hottest insurance issues and tools, insightful analysis and straightforward explanations of policy language, you can determine where you and your client stand today and how to improve your client's position tomorrow.

Partner-up with an Environmental Insurance Expert.

First published in 1992.  
2 Volumes with annual updates.

## Killer Roads: From Crash to Verdict

*William E. Kenworthy, Richard S. Kuhlman*

More than 40,000 people are killed on our highways each year, and millions more are injured. Bad drivers and bad vehicles alone do not account for this carnage. The highway itself is often a contributing -- even determining -- cause of accidents.

**Killer Roads** provides comprehensive guidance on the many issues surrounding transportation facility negligence. It helps you pinpoint essential engineering issues and relevant road defects, assess the quality of maintenance, identify pertinent engineering standards, and understand the liability of all parties.

However, **Killer Roads** goes beyond describing the legal basis for your courtroom strategy. It also provides helpful, hands-on guidance for implementing this strategy successfully. Written in straightforward language, **Killer Roads** demonstrates how highway liability issues impact your approach to jury selection, the opening statement, cross-examination, and expert witness testimony.

The eBook versions of this title feature links to Lexis Advance for further legal research options.

## Land Use Law

*Daniel R. Mandelker*

Environmental pressures, fierce debates about growth, and civil rights issues continue to redraw the boundaries defining land use law.

**Land Use Law** reviews local planning and land use regulation programs, and is the only treatise with comprehensive citations to federal and state court decisions, as well as state statutes. Both land use practitioners and general practitioners whose clients have land use regulation problems will find this book a valuable addition to their library. Look to **Land Use Law** for both federal and state case law. In addition to federal takings law, it has sections on federal remedies under Section 1983 of the Federal Civil Rights Act, free speech issues as they apply to land use regulations, and antitrust law.

Even if you don't go to court with land use cases, you'll find this resource an invaluable resource on the law of variances, special exceptions, zoning amendments, subdivision approvals, and other zoning actions that are heard by local zoning agencies.

## Marine Oil Pollution

**Marine Oil Pollution** contains the most authoritative coverage of this topic available. Updated yearly, this comprehensive work covers every aspect of the law on marine oil pollution and provides a great starting point for further research in this area. Topics covered include federal and state marine oil pollution law, criminal penalties, international conventions, and industry initiatives.

**Marine Oil Pollution** is also published as Chapter 9 of Volume 3 of *Benedict on Admiralty*.

## Municipal Litigation Reporter

Access to certain freelance articles and other features within this publication (i.e. photographs, classifieds, etc...) may not be available.

**MUNICIPAL LITIGATION REPORTER**, a one-of-a-kind case digest service reporting exclusively on decisions involving cities, counties, towns and townships, school districts, and other local government entities, now goes beyond case law to bring even more of what you need to be an effective city attorney or risk manager.

In addition to 40+ comprehensive, concise, convenient case summaries, each monthly issue includes:

- Updates on relevant, high-impact news -- your alert on current events that affect your municipality's policies and procedures
- Extensive reports on congressional and agency actions -- your early warning system to prevent expensive claims
- Tight, quick-read summaries of carefully selected law review articles -- offering you a broader perspective on the law to help you strategically plan for the future

**MUNICIPAL LITIGATION REPORTER** is written for city and county attorneys and private practice lawyers representing municipalities, as well as public risk managers.

## Newsgathering and the Law

*Lee Levine, Robert C. Lind, Seth D. Berlin, C. Thomas Dienes*

It is time you learned from the experts.

CIA leaks and discourse on news media limits are splashed across the headlines. The use of hidden cameras, unauthorized taping, and access to businesses and homes are the real business of those practicing in the area of reality television. There is no better time than now to negotiate newsgathering issues with the experts. In **Newsgathering and the Law**, Fourth Edition, Lee Levine, Robert C.

Lind, Seth D. Berlin, and C. Thomas Dienes each with more than 20 years of experience in media law, share their combined life work with you. Hundreds more pages of analysis; including a new chapter Privilege on the Internet and new discussions like Civil Commitment Proceedings; Military Proceedings and National Security and Other Technology in the Courtroom all make the Fourth Edition a must read.

The eBook version of this title features links to Lexis Advance for further legal research options.

## Nichols on Eminent Domain

*Professor David L. Callies, Dwight H. Merriam, Professor Patricia Salkin, Larry J. Smith, David Schultz*

The Authority on Eminent Domain Since 1909

Answers Practically Every Question on Eminent Domain

Comprehensive and current, this definitive treatise on the law of eminent domain discusses:

- The origin, characteristics, nature, and extent of the power of eminent domain;
- Valuation and damages;
- Preparation of claims and negotiations; and
- The passing of ownership and the nature of the title acquired.

Frequently Cited by the Courts

**Nichols on Eminent Domain**® is regularly cited by state and federal courts as well as by the United States Supreme Court in its eminent domain and condemnation cases, including the Supreme Court's decisions in *Del Monte Dunes* and *Palazzolo*.

Guides You on Aspects of Valuation.

You'll get the arguments that can be raised to increase or decrease the value of your client's property, including market values, damages, proposed use, amount of award, income, improvements, sales, and offers. You'll also get the rules of evidence pertaining to valuation.

Speeds You to the Cases and Facts.

A comprehensive index is included. Decisions are footnoted and arranged jurisdictionally for fast and easy access to cases and topics.

The only combined treatise and practice guide encompassing all topics in the field of eminent domain for all jurisdictions, **Nichols on Eminent Domain**® is the most comprehensive work available.

- Definitive treatment of eminent domain and valuation.
- In-depth analysis of condemnation practice and procedure, including discovery, evidence, jury instructions, and examination of experts.
- Recent important judicial developments and emerging areas of the law, including landmark Supreme Court decisions on public use and public purpose, exactions, compensation for loss of business goodwill, inverse condemnation, uniform professional appraisal standards, and the taking of environmentally contaminated property.
- Four revisions yearly, with case supplements and special alerts as needed to ensure up-to-date coverage.
- Footnotes contain extensive annotations arranged alphabetically by state.
- Each chapter begins with a synopsis directing you to the specific section you need to review.

Download a Special Alert on the U.S. Supreme Court decision in *Kelo v. City of New London*.

Chapters are written by expert practitioners you can rely on. Contributing Authors Include:

- Professor David L. Callies, William S. Richardson School of Law, University of Hawaii
- Dwight H. Merriam, Robinson & Cole LLP, Hartford, Connecticut
- Professor Patricia Salkin, Albany Law School, Albany, New York
- Larry J. Smith, Graham & Dunn, P.C., Seattle, Washington
- David Schultz, Graduate School of Public Administration and Management, Hamline University, St. Paul, Minnesota

This 18-volume loose-leaf treatise is updated four times per year and is also available as an eBook in .mobi and .epub formats, as well as on [lexis.com](http://lexis.com).

## Personal Injury: Actions, Defenses, Damages

*Louis R. Frumer, B.A., LL.B., LL.M., Melvin I. Friedman, A.B., LL.B., Sally Aiello, Esq.; Professor James Albert; Michael Axline, Esq.; Michelle Barnes-Keating, Esq.; Roy L. Benoit, LL.B.; Professor Edward Birmingham; Professor Arthur Best; Professor Gerald W. Boston; Joel F. Cofsky, J.D.; Mary James Courtenay, Esq.; Jeffrey Dannenberg, Esq.; Rosanne Dobbin, LL.B.; Professor Constance Fain; G. Robert Friedman, Esq.; Kennon Goff, Esq.; Lester Jayson, Esq.; Vincent Johnson, Esq.; David Kaplan, Esq.; Martin Kaufman, Esq.; Richard E. Kaye, Esq.; Christine Knepper-Wolff, Esq.; Michel J. Landron, Esq.; Marilyn Minzer, LL.B.; Jerome Nates, J.D.; John O'Donnell, Esq.; Gordon Ohlsson, J.D.; Lily T. Pilgrim, LL.B.; Donald Polden, Esq.; Mark S. Rhodes, Esq.; David Rickless, Esq.; Jeffery Robertson, Esq.; David A. Slavin, Esq.; R. J. Stone, Esq.; Professor Ronald F. Wright, Esq.*

The largest and most comprehensive case law compendium in legal literature provides encyclopedic treatment of the personal injury law of every American jurisdiction.

- Gives you over 200 "fact situation" titles under which all cases are classified. Titles are alphabetically arranged according to the situation or instrumentality out of which an injury can arise, or the party injured or causing the injury
- Each title provides coverage of theories of recovery, elements of cause of action and necessary allegations, defenses and damages
- Includes forms for bringing and defending the suit, compiled from the actual files of eminent practitioners
- A separate volume provides consolidated treatment of damages
- Annotated to all jurisdictions

First published in 1957.

## Police Civil Liability

*Isidore Silver*

A comprehensive guide to the personal injury and civil rights aspects of police misconduct. Includes an extensive array of forms. An essential resource for personal injury lawyers--plaintiff and defense, civil rights attorneys, government counsel, and for law enforcement officers at all levels, this handy work provides numerous practice aids and forms throughout.

Includes:

- Section 1983 & other Federal Civil Rights Actions
- Negligence during police emergencies
- False arrest and imprisonment
- Liability for misuse of weapons
- Assault and battery
- Malicious prosecution
- Duties to persons arrested and incarcerated
- Duty to protect citizens and property
- Immunity

An appendix contains detailed analysis of qualified immunity in Fourth Amendment search and seizure and other constitution litigation.

## Powell on Real Property

*Michael Allan Wolf*

Cited More Than Any Other Treatise on Real Property Law, and cited multiple times by the U.S. Supreme Court over the last decade. **Powell on Real Property®** is the definitive and modern real property treatise you've been looking for. Also included are exclusive extras written by General Editor Michael Allan Wolf, including:

- The Supreme Court Update, an annual review of Supreme Court cases affecting real property interests
- Powell in the Courts, a quarterly analysis of recent case law citing Powell, released 4 times per year along with the updates to the treatise.

Updated analysis of complex property issues related to Rails-to-Trails.

Some of the most contested property disputes of the late twentieth and early twenty-first centuries have concerned the conversion of railroad corridors to public uses such as recreational trails. Such disputes are the subject of new Chapter 78A, Rails-to-Trails: Conversion of Railroad Corridors to Recreational Trails, written by Professor Danaya C. Wright.

Updated information and analysis on Green Buildings.

Why do real estate attorneys need to know about them? General Editor Michael Allan Wolf explains in new Chapter 78B, Green Buildings, as he explores the green building phenomenon--the forces coming together to integrate building design and construction practices furthering energy efficiency, resource conservation, and the protection of the environment.

Authoritative Coverage that the courts look to and cite.

Powell's authoritative, national coverage includes unmatched in-depth analysis of the pertinent case law, statutes, and regulations. Over 130 chapters and several practice guides cover the gamut of real estate issues with clear explanations of the current law.

Critical topical analysis from experts in the field includes:

- Americans with Disabilities Act: public accommodations and commercial facilities
- Effect of bankruptcy law on real property transactions and interests
- Condominiums, cooperatives, homeowner associations, and timesharing
- Conveyancing
- Deeds, recording acts, and title insurance
- Easements, licenses and restrictive covenants
- Eminent domain
- Landlord and tenant law
- Land use planning and regulation
- Mortgages, liens and foreclosures
- Tax aspects of real estate transactions and investments
- Effect of telecommunications laws on real property interests
- Property disputes related to conversion of railroad corridors to recreational trails and other public uses (rails-to-trails)
- Green buildings

Written and updated by leading authorities and practitioners from across the nation.

Statements of law are supported by abundant citations to statutes, regulations, case law, law review commentary, and more. For more than half a century, **Powell on Real Property**® has been the one source to turn to for the answers to real property law questions in America. With its unparalleled breadth and depth of coverage, it still is.

Recent Supreme Court cases citing **Powell on Real Property**® include:

- *Georgia v. Randolph*, 126 S. Ct. 1515 (2006)
- *Hibbs v. Winn*, 542 U.S. 88 (2004)
- *Eldred v. Ashcroft*, 537 U.S. 186 (2003)
- *United States v. Craft*, 535 U.S. 274 (2002).

## Regulatory Takings

*Steven J. Eagle*

**Regulatory Takings** provides clear, yet trenchant analyses of the federal and state constitutional principles that arise when expanding land use regulations clash with the right of citizens to receive just compensation when their property is taken.

"On Point" Law for the Legal Specialist

**Regulatory Takings** provides a detailed examination of the substantive and procedural aspects of regulatory takings law as well as the judicial applications of these principles in specific areas, such as exactions on new development and governmental growth restrictions. In the process, **Regulatory Takings** liberally cites pertinent cases, statutes, and secondary sources. It examines technical considerations unique to regulatory takings, such as special standing requirements, while highlighting widely varying state and local statutes, ordinances, and administrative practices. Get detailed analysis on:

- wetlands regulations
- exactions on development
- free speech rights in shopping malls and other private property
- the Endangered Species Act
- "exclusionary" zoning
- asset seizures
- rent controls

In this invaluable fifth edition, the author offers careful and balanced appraisals of both governmental powers and private rights. Whether you represent property owners and developers subject to regulation, units of state or local government, or public interest organizations such as environmental or property rights groups, you'll find **Regulatory Takings** an indispensable resource.

## Toxic Substances Control Act (Gold & Warshaw)

*Miriam V. Gold and Jean Warshaw*

The growing concern in the United States about the safety of chemicals in our environment makes the **Toxic Substances Control Act (TSCA)** authored by Miriam V. Gold & Jean Warshaw, a timely topic. TSCA is the primary vehicle for enabling the government to review most chemicals, other than foods, drugs, cosmetics and pesticides, before they are introduced into commerce. Last year's dramatic recall of children's toys tainted with lead has increased the calls for thorough information about the chemicals in our environment. In addition, the lightening speed of nanotechnology development threatens to leave regulators with very few tools to address the environmental and toxicological effects of nanomaterials. This book is a unique resource for lawyers and regulatory

affairs specialists who need to understand the Toxic Substances Control Act (TSCA), including the surrounding law, regulations and guidances. This volume includes a CD-ROM containing a broad array of resource materials, references to other supporting source materials, and procedures to implement an integrated TSCA compliance plan.

### Features

- Unique and strategic text on regulatory compliance of the Toxic Substances Control Act (TSCA).
- Written by two practitioners with over thirty-three years combined wealth of experience in the chemical industry.
- Text includes helpful samples and draft documents for attorneys and regulatory specialists, with accompanying CD-ROM for ease of use.

## Williams & Meyers, Oil & Gas Law Abridged Ed.

With this convenient desk edition, you will get thorough yet concise coverage of the law relating to oil and gas. A handy abridgement of the 8-volume master treatise, Williams & Meyers, Oil and Gas Law, this book contains full treatment of property interests, conveyancing, oil and gas leases, implied covenants, and pooling and unitization. It is a good starting point for researching all your questions dealing with oil and gas law and the section numbering is keyed to the master treatise, locating in-depth and detailed analysis of your topic is quick and easy.

## Zoning and Land Use Controls

*Eric Damian Kelly*

With the broadest scope, most forms and best index of any comparable publication available, along with two full volumes of model ordinances and detailed annotations organized by jurisdiction, **Zoning and Land Use Controls** gives you everything you need to practice real estate law with complete confidence.

### Zoning and Land Use Controls covers:

- Modern land use law trends such as sign regulation and adult-use businesses
- Federal and state regulation
- Zoning procedures and judicial review
- Model ordinances
- Site plans
- Sample building permits
- Zoning application forms

First published in 1977

10 volumes, loose-leaf; updated with revisions

## Zoning Law and Practice

**Zoning Law and Practice** treats a complex subject with clarity and accuracy. The author searched out cases from all jurisdictions to produce an indispensable work containing a cross-section of the various holdings, both pro and con, regarding zoning as a municipal science.

## Connecticut Appellate Practice & Procedure

Authors Colin C. Tait, Professor of Law at the University of Connecticut School of Law along with Judge Eliot D. Prescott teamed up to create the Connecticut Appellate Practice and Procedure, 3rd Edition.

In 1996 the Connecticut appellate courts extensively reviewed all appellate rules and adopted major revisions. This third edition integrates and updates all significant changes in statutes, case law, rules and procedure since that time.

The book is 420+ pages and includes ten chapters with a detailed Table of Contents as well as a comprehensive Index and Table of Cases at the back of the book referenced by section number.

Updated bi-annually, this legal treatise is used by seasoned appellate litigators as well as those about to handle their first appeal in Connecticut state appellate courts.

## Connecticut Family Law Citations

Quickly access the case authority you need with this handy indexed guide to Connecticut family law. Refer to the subject classification index to find all the citations pertaining to the following issues: income and earnings; jurisdiction of the court; alteration, change or amendment; alimony; and more. Published twice a year. Each issue is cumulative and replaces all previous copies.

The eBook versions of this title feature links to Lexis Advance for further legal research options.

## Connecticut Family Law Practice Guide

*Louise Truax, Barbara Aaron, Livia Barndollar, Campbell Barrett, Carlo Forzani, Leslie Jennings-Lax, Sandra Lax, John Morris, Daniel Roberts, Samuel V. Schoonmaker IV, Carolyn Swiggart, Robert Zaslow*

LexisNexis Practice Guide: Connecticut Family Law is an affordable guide to Connecticut family law practice. Written by a team of experienced practitioners, the guide offers concise explanations of each step in a family law case, transitioning smoothly from legal analysis to practical application of a point of law. Practice strategies and checklists are included in each chapter to help practitioners identify and address legal and procedural issues. The book covers a wide range of topics related to Connecticut family law, including: divorce, alimony, child custody, taxes, same-sex relationships, alternative dispute resolution, and more.

The LexisNexis Practice Guide titles offer concise, how-to guidance including tips and warnings with quick-reference symbols, and a thorough offering of forms and checklists. Our Practice Guides integrate real-world insight and examples by expert practitioners and judges, and work the way you do—with an intuitive task-oriented organization, incorporating only those features that would measurably simplify and streamline the research process in both print and online. The format of the Guides confidently points you, step-by-step, to find precise, easy-to-understand information while keeping you in step with changing laws.

## Connecticut Foreclosures

The new, completely revamped fifth edition of **Connecticut Foreclosures** incorporates the wealth of new case law and legislative changes that have occurred since the last edition. Since the publication of the fourth edition in 2004, the economic downturn has caused an unprecedented number of mortgage defaults and an explosion of foreclosure suits. New discussion and analysis in this edition includes:

- The Public Act 08-176, An Act Concerning Responsible Lending and Economic Security
- State tenant protection measures
- New federal programs, including HAMP and HAFA, designed to assist homeowners in avoiding foreclosure
- The Dodd- Frank Act, which affects Truth in lending laws
- 2011 amendments to the foreclosure registration legislation that first appeared in 2009
- Connecticut's state-law version of the federal Protecting Tenants at Foreclosure Act
- The evolving role of MERS in foreclosures

Also, the Uniform Standing Orders, which have taken on a life of their own, becoming in effect a second practice book, are now presented in one chapter (Chapter 2), rather than scattered throughout the book. There are also two entirely new chapters, on bankruptcy litigation and the foreclosure of mobile homes.

**Connecticut Foreclosures** is the most authoritative treatise on the subject and is used by a vast number of judges and attorneys practicing in the area of foreclosures. Written by Denis Caron, long recognized as the leading authority on foreclosures in Connecticut, in collaboration with Geoffrey Milne, this new volume replaces all earlier editions, and includes updated information throughout.

---

## Connecticut Insurance Law

**Connecticut Insurance Law** provides an understanding of insurance coverage issues in Connecticut, as well as a starting point for addressing the issues the practitioner may be facing.

---

## Connecticut Landlord and Tenant Law with Forms

**Connecticut Landlord and Tenant Law**, by Nobel F. Allen, covers the legal relationship between tenants and landlords, both in commercial and residential settings. It has been prepared as a desktop reference, with case law and statutory mandates, and includes MODEL FORMS for housing court and other landlord-tenant civil litigation. The forms (in print and on CD) are included in the purchase price of the book.

Published in October 2008, this single volume reference book is update bi-annually.

First section, Overview of Lease Construction and Interpretation, provides a general overview as well as the obligations of the landlord and tenant.

Second section, Summary Process Litigation, provides a statutory blueprint for prosecuting, defending and appealing an eviction action. Specific statutory requirements that are mandatory within summary process litigation are highlighted: from the elements of the KAPA notice, to the notice to quit, to the summary process execution.

Third section, Landlord Tenant Litigation, addresses non-summary process litigation. In this section, Noble addresses the difference between a nonpayment of rent action and a breach of lease action, as well as the statutory and common law formulas for calculating damages resulting from a breach of lease, and various other causes of action and defenses employed in civil landlord tenant litigation.

Valuable Appendices include an annotated glossary of common trigger provisions and concepts in commercial lease litigation and two sets of MODEL FORMS: housing court forms and other landlord-tenant related forms. The forms are also included on CD.

---

## Connecticut Medical Malpractice Law

**Connecticut Medical Malpractice Law** is the "go-to" reference book for all Connecticut medical malpractice litigators, both the defense and plaintiff's bar. Carefully crafted, the authors have thoroughly covered this overdue subject. Three well-known Hartford area attorneys (from the firm of Danaher, Lagnese & Sacco, P.C.) combined to produce this treatise. Joyce Lagnese, Calum Anderson and Frank Santoro are long on experience and economic with prose.

---

## Connecticut Trial Evidence Notebook

*Dale P. Faulkner and Shelley L. Graves*

With the second edition of **Connecticut Trial Evidence Notebook**, you can prepare your civil cases with confidence.

This accurate and up-to-date resource provides even the most experienced trial lawyer a distinct advantage. In addition to common evidentiary themes, the authors present invaluable information on new, technology-driven topics, such as computer simulations.

Find your answer in seconds!

Have vital information at your fingertips right in the office or in the courtroom. Organized for speed and accuracy, **Connecticut Trial Evidence Notebook**, Second Edition gives you all the tools you need to handle any situation that comes up during trial. When time counts, rely on this reference to support an objection, reinforce claims of admissibility, properly interpret the hearsay rule and its exceptions, or correctly apply evidentiary rules. In addition to reciting the applicable rule, the authors supply commentary and pertinent citations to existing statutes, cases, and proper authorities.

Identify the problem, and find the solution in seconds! A courtroom advantage has never been so accessible, and so reasonably priced.

---

## Dupont on Connecticut Civil Practice

**Dupont on Connecticut Civil Practice**, is the definitive source on Connecticut 's rules of practice and their application, including the state's unique fact pleading requirements and rules of discovery. Whether you are a novice or an experienced practitioner, this portable resource will help you recognize when it's necessary to plead a special defense, when it suffices to deny the complaint's allegations, when to use a motion to strike a complaint and when to move for summary judgment.

## Encyclopedia of Connecticut Causes of Action

The **Encyclopedia of Connecticut Causes of Action** is a single volume desk reference which compiles, outlines and indexes all theories of recovery under Connecticut law. There's nothing like it presently available to Connecticut practitioners! Since its debut in 2009 it has been cited to by the Connecticut state appellate courts.

Organized into three sections: common law actions, statutory actions and administrative appeals, it also contains relevant statutes of limitation, and requisites for recovering attorneys' fees. The desk book contains notes on applicable procedure and rules, an extensive common word index, and tables of cases and statutes.

The **Encyclopedia of Connecticut Causes of Action** is a quick reference to unfamiliar subjects and a starting point for analysis of any new matter. It is a welcome resource for firms without an extensive law library.

**Encyclopedia of Connecticut Causes of Action** is a unique working resource for:

- SOLO Practitioners, Small Firms: Save time analyzing client problems and preparing pleadings by pin-pointing the starting point of an action before employing more costly research. An inexpensive desk reference for virtually any case that walks in your door!
- Managing Partners, LITIGATION Departments: Bring associates up to speed quickly. Reduce training time and expense in preparing briefs and pleadings. Reduce research expense.

## Forms from Labor and Employment in Connecticut

A comprehensive collection of over 23,000 Litigation and Transactional forms, accessible through one intuitive table of contents. All CT LexisNexis Forms (LFCTAL) includes Connecticut official forms, and covers a wide range of topics, including

## Leveraging Verdicts and Settlements

Verdict and settlement information is essential in helping you:

- Analyze the outcomes of similar past cases to gain insight into the potential outcome of your own case
- Evaluate potential bias on the part of an expert witness (for example, does he or she testify repeatedly for the same attorney or firm, or for the same side?)
- Determine the possible effectiveness of an expert witness
