REVISED SPECIAL PROVISION
The following Special Provision is hereby deleted in its entirety and replaced with the attached like-named Special Provision:

Notice to Contractor – Hazardous Materials Investigations

SPECIAL PROVISION
The following sheet is hereby added to Addendum No. 1:

SP-148A
NOTICE TO CONTRACTOR - HAZARDOUS MATERIALS INVESTIGATIONS

Hazardous building materials site investigations have been conducted at the following sites which are scheduled for demolition:

- 56-58 Rockwell Avenue, New Britain
- 65 & 85 Rockwell Avenue, New Britain
- 78 Rockwell Avenue, New Britain
- 82 Rockwell Avenue, New Britain
- 414 Arch Street, New Britain
- 424 Arch Street, New Britain
- 24 Webster Street, New Britain

The results of these investigations indicated the presence of asbestos containing materials (ACM), lead based paint (LBP), aboveground & underground petroleum storage tanks (AST/UST), and additional hazardous or otherwise regulated items (mercury, PCB, CFC, used electronics, pressurized cylinders, smoke detectors, batteries, oils, chemicals, corrosives, ignitables, tires, etc.) within proposed construction areas.

The Contractor is hereby notified that these hazardous building materials requiring special management or disposal procedures will be encountered during various construction activities conducted within the project limits. The Contractor will be required to implement appropriate health and safety measures for all construction activities impacting these materials. These measures shall include, but are not limited to, air monitoring, engineering controls, personal protective equipment and decontamination, equipment decontamination and personnel training.

WORKER HEALTH AND SAFETY PROTOCOLS WHICH ADDRESS POTENTIAL AND/OR ACTUAL RISK OF EXPOSURE TO SITE SPECIFIC HAZARDS ARE SOLELY THE RESPONSIBILITY OF THE CONTRACTOR.

The Department, as Generator, will provide an authorized representative to sign all manifests and waste profile documentation required by disposal facilities for disposal of hazardous materials.

The Sections which shall be reviewed by the Contractor include, but are not limited to, the following:

- Item No. 0020801A – Asbestos Abatement
- Item No. 0020901A – Lead Abatement
- Item No. 0202317A – Disposal of Hazardous Materials
- Item No. 0101143A – Handling and Disposal of Regulated Items
- Item No. 0100071A – Removal and Disposal of Underground Petroleum Storage Tanks
The Contractor is alerted to the fact that a Department environmental consultant will be on site for abatement and demolition activities, to collect environmental samples (if necessary), and to observe site conditions for the State.

Information pertaining to the results of the hazardous building materials investigations discussed can be found in the documents listed below. These documents shall be available for review at the Office of Contracts, 2800 Berlin Turnpike, Newington, Connecticut, and at the City of New Britain, Office of the Purchasing Department, Room 401 – City Hall, 27 West Main Street, New Britain, CT 06051.

Bidders can schedule a inspection of these buildings by contacting the Connecticut Department of Transportation representative, Roger Levesque, at 860-594-3339.
assumes all costs associated with the appropriate handling, management and disposal of this material.

Equipment decontamination, the collection of residuals, and the collection and disposal of liquids generated during equipment decontamination activities will not be measured separately for payment.

**Basis of Payment:**

This work shall be paid for at the Contract unit price, which shall include all transportation from the excavation site to the final WSA, including any intermediate handling steps; stockpiling controlled materials at the WSA; covering, securing, and maintaining the individual stockpiles within the WSA throughout the duration of the Project; and all tools, equipment, material and labor incidental to this work.

This price shall also include equipment decontamination; the collection of residuals generated during decontamination and placement of such material in the WSA; and the collection and disposal of liquids generated during equipment decontamination activities.

All materials, labor and equipment associated with compliance with the General Permit for Contaminated Soil and/or Sediment Management (Staging and Transfer) will not be measured separately, but will be considered incidental to the item “Controlled Materials Handling”.

Securing, construction and dismantling of the WSA shall be paid for under Item 101128A. Payment for dust control activities shall be made under the appropriate Contract items.

INVITATION FOR BIDS

The CITY OF NEW BRITAIN, acting through the City Purchasing Agent, will receive bids for Hart Street Extension, Bid No. 3293, until 11:00 a.m. on the 20th day of October, 2006, at the Office of the Purchasing Department, Room 401 - City Hall, 27 West Main Street, New Britain, CT. 06051, at which time all bids will be publicly opened and read aloud.

The scope of work consists of building demolition and disposal, new roadway full depth construction, existing roadway full depth reconstruction, new traffic signals, new sidewalks and granite curbing, and utility upgrades.

The Bid Documents may be obtained at said Office of the Purchasing Department, Room 401 - City Hall, on or after 12:00 noon on the 20th day of September, 2006, for a non-refundable payment of $100.00 per set. A complete set of the Bid Documents is on file at the Office of the Purchasing Dept., Room 401 - City Hall, for review.

The City reserves the right to accept or reject any or all bids or any part of a bid presented, or to invite proposals as its interest may appear.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Bid Documents must be paid on this project; proper classification of workers as employees rather than as independent contractors must be made. Where one or more apprentices are employed, Contractor must participate in a state-certified apprenticeship program. The Contractor must ensure that employees and applicants for employment are not discriminated against because of their race, sex, religions, color or national origin. The Contractor must adhere to all relevant provisions of Section 46a-95 of the Connecticut General Statutes, and any other relevant laws and regulations regarding Affirmative Action.

A pre-bid conference shall be held on October 4, 2006, at 10:00 AM at New Britain City Hall, Room 504, 27 West Main Street, New Britain, CT.

The Contractor shall comply with the Copeland Anti-Kickback Act and Regulations of the Secretary of Labor (29 CFR, Part 3).

An “affidavit” of non-collusion shall be included in the Bid Documents, and must be completed by the prospective bidder and returned with the bid. Failure to return an executed non-collusion affidavit with a proposal may result in the subsequent rejection of subject bid. The Contractor shall comply with the Copeland Anti-Kickback Act and Regulations of the Secretary of Labor (29 CFR, Part 3).

Twelve percent (12%) of the bid must be set aside for Disadvantaged Business Enterprises (DBE).

The following items are required with your bid proposal: Certification of Non-segregated Facilities, Non-Collusion Affidavit, Bid/Proposal Affidavit, Consulting Agreement Affidavit, Equal Employment Opportunity Certificate, Gift Affidavit, Campaign Contribution Affidavit, and Acknowledgment of Receipt of Summary of State Ethics Laws.
