2.7.1 The response to this RFP will be considered an offer to contract. At its option, the University may take either one of the following actions in order to form an agreement between the University and the selected respondent:

2.7.1.1 Accept a proposal by the top respondent by formatting an agreement based on the written response as submitted and forward to this firm for acceptance; or

2.7.2 Because the University may use the alternative described in above, each respondent should include in his or her written proposal all requirements, terms or conditions it may have, and should not assume an opportunity will exist to add such matters after the proposal has been submitted.

2.7.3 The University reserves the right to award a contract not based solely on the firm with the most advantageous price, but based on an offer which, in the sole opinion of the University best fulfills or exceeds the requirements of this RFP and is deemed to be in the best interest of the University.

2.7.4 It is mutually agreed by and between the University and the firm that acceptance of the firms offer by the issuance of a purchase order and co-signed agreement create a contract. The agreement will contain all the specifications, terms and conditions in this RFP. The University’s agreement format has been included for your review (See Section 5). Absolutely no exceptions to the language in Section 3 of this agreement may be taken.

2.7.5 The University expressly reserves the right to negotiate prior to an award, any contract which may result from this RFP.

Preference will be given to those firms with such confirmed experience.

2.8.2 Prospective vendors must be prepared to provide any evidence of experience, performance ability and/or financial surety the University deems necessary to fully establish the performance capabilities represented in their Proposal.

2.8.3 The University will reject the proposal of any vendor and void any award resulting from this RFP to any vendor who makes any material misrepresentation in their proposal.

2.9 **Assignment:**

Any contract resulting from this RFP may not be assigned or transferred without the prior written consent of both parties.

2.10 **Non-Appropriation of Funds:**

Notwithstanding any other provision of this RFP or any ensuing contract, if funds anticipated for the continued fulfillment of the contract are at any time not forthcoming or insufficient, either through the failure of the Connecticut Legislature to provide funds or alteration of the program under which funds were provided, then the University shall have the right to terminate the contract without penalty by giving not less than thirty (30) days written notice documenting the lack of funding. Unless otherwise agreed to, the contract shall become null and void on the last day of the fiscal year for which appropriations were received; except that if an appropriation to cover the costs of this contract becomes available within sixty (60) days subsequent to termination under this clause, the University agrees to reestablish a contract with the vendor whose contract was terminated under the same provisions, terms and conditions of the original contract.

2.11 **Indemnification:**

State of Connecticut agencies (University of Connecticut) may not enter into indemnification of “Hold Harmless” agreements. In the event of a loss by the vendor or any third party shall have recourse through the State of Connecticut Claims Commission, as provided under Chapter 53 of the General Statutes of the State of Connecticut, in which all claims against the State of Connecticut and the University of Connecticut will be filed with the Connecticut Claims Commissioner.

2.12 **Contract Termination for Cause:**

The University may terminate any resulting contract for cause by providing a *Notice to Cure* to the contractor citing the instance of noncompliance with the contract.

2.12.1 The contractor shall have ten (10) days to reply to the *Notice to Cure* and indicate why the contract should not be terminated and recommend remedies to be taken.

2.12.2 If the contractor and the University reach an agreed upon solution, the contractor shall then have thirty (30) days after such agreement is reached to cure the noncompliance cited in the *Notice to Cure*.

2.12.3 If a mutually agreed upon solution cannot be reached within ten (10) days after receipt of the *Notice to Cure* by the contractor, the University reserves the right to terminate the contract.

2.12.4 If the mutually agreed upon solution is not implemented within thirty (30) days from the date of agreement, the University reserves the right to terminate the contract.

2.13.2 The vendor shall at all times enforce strict discipline and good order among the vendor's employees and shall not employ any unfit person or anyone not skilled in the task assigned.

2.13.3 Incompetent or incorrigible employees shall be dismissed from the project by the vendor when so determined by the university, and such persons shall be prohibited from returning to the project without written consent of the University.

Payment terms shall be 2% 15 days net 45 days.

Please include name, title, telephone number and email address of a contact person at each institution. Reference checks will be performed electronically: please notify your references of this future electronic transaction.

This reference criterion is non-negotiable. It is a mandatory submittal and failure to provide may be reason to reject your proposal as non-compliant.

2.16 **Contract Provisions by Reference:**
It is mutually agreed by and between the University and the vendor that acceptance of the vendor's offer by the issuance of a purchase order shall create a contract between the parties thereto containing all the bidders proposed specifications, terms and conditions in this RFP except as amended in the purchase order.

2.17 **Promotion:**
Unless specifically authorized in writing by University Communications on a case by case basis, the firm shall have no right to use, and shall not use, the name of the University of Connecticut, its officials or employees, or the seal of the University: (A) in any advertising, publicity, promotion, nor (B) to express or to imply any endorsement of contractor’s products or services: nor (C) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (A) or (B) above), except only to manufacture and deliver in accordance with this agreement such items as are hereby contracted by the University. Further, the University reserves the right to invoke Contract Termination for Cause, Sec. 2.13, for repeated violations.

2.18 **Ethical Considerations:**
The proposing vendor may be required to certify that no elected or appointed official or employee of the University has benefited or will benefit financially or materially from the proposed services. The university may terminate any contract resulting from this RFP, if it is determined that gratuities of any kind were either offered to, or received by, any University officer or employee contrary to this policy. The authorized signatory of a submitted proposal automatically attests this to be true.

The laws of the State of Connecticut provide it is a felony to offer, promise or give anything of value or benefit to a State employee with the intent to influence that employee’s acts, opinion, judgment or exercise of discretion with respect to that employee’s duty. Agreement Format

The terms and conditions should be reviewed very carefully to insure full responsiveness to this RFP. The anticipated Sample Purchasing Agreement will be, in form and substance, consistent with applicable University policy and regulations and State of Connecticut statutes and regulations regarding the creation and execution of such Agreement. The failure of any respondent to receive or examine any contract, document, form or addendum and acquaint itself with conditions there-existing, will not relieve it of any obligation with respect to its proposal or any executed contract. The submission of a proposal shall be conclusive evidence and understanding of the University’s intent to incorporate such terms and conditions into the Agreement with no exceptions.

The University of Connecticut reserves the right to reject any proposal response that does not comply with the State’s contractual requirements. Proposals are subject to rejection in whole or in part if they limit or modify any of the terms and conditions and/or specifications of this RFP.

As an Agency of the State of Connecticut (a sovereign entity) the University is governed by the following terms and conditions, which may not be modified, amended or deleted unless approved by the Office of the Attorney General.

2.1. Statutory Authority. Connecticut General Statute §§ 10a-104, 10a-108, 4a-52a, and 10a-151b provide the University with authority to enter into contracts in the pursuit of its mission.

The Contractor agrees that while performing Services specified in this agreement s/he shall carry sufficient insurance (liability and/or other) as applicable according to the nature of the service to be performed so as to "save harmless" the State of Connecticut from any insurable cause whatsoever. If requested, certificates of such insurance shall be filed with the contracting State agency prior to the performance of Services.

2.4. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Connecticut.

2.5. Nondiscrimination. References in this section to "contract" shall mean this Contract and references to "contractor" shall mean the Contractor.

(a) The following subsections are set forth here as required by section 4a-60 of the Connecticut General Statutes:

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the state of Connecticut. The contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the commission; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and sections 46a-68e and 46a-68f and with each regulation or relevant order issued by said commission pursuant to sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and section 46a-56.

(b) If the contract is a public works contract, the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works project.

"Good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements.

advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.

(e) The contractor shall develop and maintain adequate documentation, in a manner prescribed by the commission, of its good faith efforts.

(f) The contractor shall include the provisions of section A above in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the state and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the commission. The contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

(g) The following subsections are set forth here as required by section 4a-60a of the Connecticut General Statutes:

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the state of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said commission pursuant to section 46a-56; (4) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor which relate to the provisions of this section and section 46a-56.

Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor's request, the Client Agency shall provide a copy of these orders to the Contractor. The Contract may also be subject to Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, concerning contracting reforms and Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services, in accordance with their respective terms and conditions.

The Contractor shall have ten (10) days to reply to the Notice to Cure and indicate why the contract should not be terminated and recommend remedies to be taken.

(a) If the Contractor and the University reach an agreed upon solution, the Contractor shall then have thirty (30) days after such agreement is reached to cure the noncompliance cited in the Notice to Cure.

(b) If a mutually agreed upon solution cannot be reached within ten (10) days after receipt of Notice to Cure by Contractor, the University reserves the right to terminate the agreement.

(c) If the mutually agreed upon solution is not implemented within thirty (30) days from the date of agreement, the University reserves the right to terminate the contract.

(d) The University shall be obligated only for those goods or Services rendered and accepted prior to the date of Notice of Termination.

(e) Remedies Upon Default: In any case where the Contractor has failed to deliver or has delivered non-conforming goods or Services, the University shall provide a “Notice to Cure.” If after notice the Contractor continues to be in default, the University may procure goods or Services as substitution from another source and charge the cost difference to the defaulting Contractor.

2.9 Termination for Convenience.
(a) The University may terminate performance of work under the Contract in whole or in part whenever, if for any reason the University shall determine that such termination is in the best interest of the University and/or the State of Connecticut.

(b) This Agreement shall remain in full force and effect for the entire term of the contract period stated in Section 1.1 unless cancelled by the University, by providing the Contractor ____ days written notice of such intention. If the University elects to terminate the Contract pursuant to this provision, the Contract Administrator and/or designee shall notify the Contractor by certified mail, return receipt requested. Termination shall be effective as of the close of business on the date specified in the notice.

If the performance of obligations under this Agreement are rendered impossible or hazardous or is otherwise prevented or impaired due to illness, accident, Act(s) of God, riots, strikes, labor difficulties, epidemics, earthquakes, and/or any other cause or event, similar or dissimilar, beyond the control of the Contractor, then each party’s obligations to the other under this Agreement shall be excused and neither party shall have any liability to the other under or in connection with this Agreement.

2.11 Entire Agreement and Amendment. This Agreement is the entire agreement between the Contractor and the University and supersedes and rescinds all prior agreements relating to the subject matter hereof. **Campaign Contribution and Solicitation Ban**

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee; In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

**Duty to Inform**

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

**Penalties for Violations**

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of $2000 or twice the amount of the prohibited contributions made by their principals.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES  
CONTRACT COMPLIANCE REGULATIONS  
NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.”

“Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4)Women . . .  (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidders good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below).

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of $2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or $5,000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Additional information and the entire text of P.A. 07-1 may be found on the website of the State Elections Enforcement Commission, www.ct.gov/seec. Click on the link to "State Contractor Contribution Ban."
MEMORANDUM

To: Vendors Conducting Business with the State of Connecticut

From: M. Jodi Rell, Governor

Subject: State Ethics Policy

Date: September 28, 2004

As you are undoubtedly aware, state government is striving to improve how it conducts its business. The task force charged with analyzing the state contracting process recently recommended to me several areas which require improvement. I expect to implement a number of those recommendations. Your assistance is needed in order to facilitate change.

While the state ethics code does not prohibit gifts to state employees altogether—for example, the law permits employees to accept a gift in celebration of a major life event and up to $50 per calendar year in food and beverage—the intent of the code is clear. State employees should not just avoid impropriety, but even the mere appearance of impropriety, and should forego accepting gifts from those with whom the state does business.

I would also call your attention to section 1-84(m) of the Connecticut General Statutes, which prohibits state employees from accepting gifts from those who do business, or seek to do business, with the employee’s agency or department. Vendors and prospective vendors are also prohibited from knowingly giving gifts to state employees in violation of this section.

My request to you is this, no matter how well-intentioned or appreciative you may be of an employee’s assistance, I would ask that you refrain from offering a state employee a gift of any kind, including, but not limited to, meals and beverages. Offering a gift to an employee puts the employee in the rather uncomfortable position of having to decline the gift or ascertain its monetary value and consult with an attorney and/or the state Ethics Commission.

I expect—and indeed the residents of this state deserve—state government employees to adhere to the highest ethical standards, which may entail more stringent practices than even the ethics code provides. With your assistance, the state should be well on its way to restoring the public’s faith in state government.

I would appreciate it if you would communicate this message to your employees. Thank you for your cooperation and understanding.
